FCC has had a few new clubs registering with us in the past year and FCC is working with USA Cricket to have those new clubs identified in USA Cricket's database so that when you go to register (or edit your profile), your club shows up under the list of clubs for FCC. If you do not see your club, please pick any club for now, and FCC will update you once all new clubs are identified. In 2021, FCC collected the money from the clubs and transferred the same to USA Cricket, but now the expectation from USA Cricket is to have individual players manage their profiles and payments directly with USA Cricket. This is a key step for players looking to get selected to represent USA as well as match officials, like Umpires who are looking to officiate in USA Cricket games.
