- **Pitch**

TCG: Games will be played on one side of the pitch (batting from parking lot end)

- **Ball**

White cricket balls will be provided by HRCO. Teams must collect game balls from HRCO prior to Tournament start date.

- **Umpiring**

Each team will be responsible for umpiring as listed in the schedule.

- **Wide ball**

1. Too far out on the off side and anything on the leg side, as **decided by the umpire**
2. Any **non-full toss over head** of the batsman is a wide ball
3. A call of **No ball shall over-ride the call of Wide ball** at any time.
4. Following the new ICC updated rule in 2022: A wide will apply to where the batter is standing, where the batter has stood at any point since the bowler began their run up, and which would also have passed wide of the striker at a normal batting position.

- No ball
 1. **One short-pitched ball** (above the shoulder but not above the head) is allowed per over. The next such ball in the same over will be a NO BALL.
 2. Any full toss ball passes **above the waist height** of the batsman standing upright at popping crease will be a NO BALL
 3. If bowler's back foot (not front foot) touches or crosses the side crease (**return crease, shall be considered to be unlimited in length behind the popping crease**), it will be a NO BALL
 4. Any "**over stepping the popping crease**" will be a NO BALL
 5. Any ball **pitching outside the pitch** before reaching the batting side wicket will be a NO BALL. Pitching outside the pitch includes ball pitching on the edge of the mat/cement pitch or nail
 6. If **bowler breaks non-striker end stumps with any part of his body during delivery stride**, NO BALL will be called
 7. Ball **bounces more than once or rolls along the ground** before it reaches the popping crease, will be a NO BALL
 8. Umpire must call NO BALL, in case bowler delivers with an **illegal action (chucking)**, solely based on on-field umpires' judgement. **Bowler will be ejected** from bowling for rest of the match after bowling a second delivery with illegal action on the same match. If the bowler is ejected from bowling, due to delivering a second ball with illegal action (thus called no ball by umpire), the resulting **follow on free hit shall be delivered by the replacement bowler**.
 9. It is the umpire's duty to ascertain whether the bowler intends to bowl right handed or left handed, over or round the wicket, and shall so inform the striker. It is **NOT a NO BALL**, and shall be considered as umpiring failure, in case the umpire forgets to inquire bowler's mode of delivery and notify the striker regarding bowler's mode of delivery. However, it is unfair if the **bowler fails to notify the umpire of a change in his mode of delivery**. In this case the umpire shall call and signal NO BALL.
 10. A call of **No ball shall over-ride the call of Wide ball** at any time.

- Free Hit
 1. There will be a free hit for **any kind of NO-Ball**
 2. Fielders **cannot change** their **field positions** for a Free-Hit, if the **same batsman** who faced the NO Ball is also facing the Free-Hit. However, fielders **can change** their positions for a **different batsman** on strike for the Free-Hit

- **Power play**

First **six overs** minimum **9 players** (including bowler and wicket keeper) must be **inside the inner circle**. Power play for shortened games shall be calculated as 30% of total overs. For examples: (1) if game is shortened to 16 overs, Power Play will be $16 \times 30\% = 4.8$ (round it up to 5 overs of power play); (2) if game is shortened to 14 overs, Power Play will be $14 \times 30\% = 4.2$ (still round it up to 5 overs of power play). Always round up to calculate power play.

- **Maximum number of overs per bowler**

Bowler can bowl a maximum of **4 overs**

- **Match result**
 1. Team batting second must have faced at least **12 overs to constitute a match**. Otherwise match will be considered **“washed out”**. If the match was interrupted and called off due to inclement weather after team batting second has played a minimum of 12 overs, then the team with **higher run rate** will be considered winner. Run rate of the team batting second at the time game was called off will be compared against the run rate of the team batting first. If side batting first were all out in less than 20 overs (14 overs, 16 overs or 18 overs in case of delayed start mentioned in “Para 19” of the section “Game Start Time and Penalties”), their run rate will be calculated on the basis of full quota of overs and not the number of overs they were dismissed. **Points will be split** among both the teams in case the game is washed out, due to rescheduling not allowed during group sta
 2. If a team abandons the match in progress, which umpires does not agree match is completed, they agree that the match be awarded to the opposition as a Forfeit. Criteria under “Para 4” of this section applies.
 3. In case of a completed match resulting in a **tie, super over will be played** (maximum 2 super overs; See Super Over section for additional details).
 4. If a team **forfeits** the game then the other team wins with **full points (2 points)** but the NRR will not change.
 5. The team that forfeits a game will automatically lose toss for all non-playoff matches. Forfeiting team will be charged \$100 fine by HRCO and the payment will be due within 7 days. Captain and Vice Captain of the forfeiting team will be charged with 1 game suspension (suspended from playing next scheduled game of the team).

- Scorecard

1. Scoring must be done digitally using Cricclubs live scoring option.
2. In case the live scoring app crashes, scoring shall be done by other means.
3. Game shall not be delayed at any point due to scoring app/scorer shenanigans.
4. Batting team is responsible for scoring the innings, and the team that is batting first is responsible for setting up the live scoring app prior to the scheduled game start time.

However, both the teams and umpires have to be on the ground to decide it. If a team does not show up thinking that the game will be washed out, they will lose points; game will be considered a Forfeit. ● **Playing 11 and Substitute**

1. It is the umpires' as well as both team captains' responsibility to get the playing eleven from other team before toss is done.
2. Once the playing eleven is submitted, it can't be changed for that game.
3. Team bowling first can start the game with substitute players (SUB, here after) if players from playing eleven (P11 PLAYER, here after) are not there yet. However, the following conditions will be applied:

- a. If P11 PLAYER shows up during first six (6) overs:
P11 PLAYER can replace SUB without any issue.
- b. If P11 PLAYER doesn't show up before seventh (7th) over starts:
 - Option 1:** SUB can continue fielding for rest of the innings as SUB. He can NOT be "converted" into P11PLAYER. Also, if P11 PLAYER shows up later on, he will not be allowed to be a part of the game, not even as SUB.
 - Option 2:** SUB can be off the field (i. e. playing with one player short) from beginning of the seventh over. Now, P11 PLAYER can come anytime during the game (even after first innings is completed) and join his team as P11 PLAYER.
4. Substitute player may not bowl, bat, or act as captain
5. Player being substituted is required to spend a period back on the field at least equal to the number of overs that he was absent before resuming bowling
6. Player being substituted is required to field/restricted from batting if second innings commence/combination of both, for at least equal number of overs that he was absent, or until the 3rd wicket is down, whichever comes first, before the player can bat.
7. A batsman can only **retire hurt for an injury** that he picks up during the game. Otherwise batsman will be considered retired out. Being tired is not considered an injury.
8. A retired hurt batsman cannot come back to bat until the 6th wicket is down. A batsman can only retire hurt once. Second time batsman will be considered retired out.
9. **Runner for a batsman is not allowed**
- Play offs
 1. **Top 4 teams** (with most points) on the Points Table will advance to the **Semifinal**
 2. **Teams ranked 1 to 4** will play "**Semifinal**" as follows:
 - a. **SF#1: #1 Team vs #4 Team**
 - b. **SF#2: #2Team vs #3 Team**
 3. If the points are same then NRR will be used as a tie breaker. If both teams have same NRR, then head to head result in the group stage will be considered. If head to head was washed out or resulted in a tie, then team that lost least total number of wickets in the tournament group stage will be ranked higher.
 4. Super over(s) will be played, in case of a tie in play offs (maximum 2 super overs; See Super Over section for additional details)
- Super Over
 1. Team batting second in the match will **bat first** in super over
 2. One over to bowl and **only 3 batsmen** allowed (i.e. 2 wickets)

3. Each team will give the match officials their bowler and 3 batsmen names before the start of super over.
4. The bowler of the super over *is allowed* to bat in the super over.
5. In the event teams tie in the Super Over, another Super Over will follow. Maximum 2 super overs can be played.
6. If umpires decide playing Super Overs cannot be continued due to bad light or inclement weather conditions, or both 1st and 2nd super overs end up in a tie, winner will be decided as listed below based on result of first Super Over played (Note: Below criteria will be used to decide winner for the case in which even playing the first Super Over was not possible or if the first super over was not scored properly):
 - a. the team that has scored most boundaries (fours and sixes) in the match (main match + super over) will be considered winner.
 - b. if the above is still a tie, the team that has scored most boundaries (fours and sixes) in the match (main match only) will be considered winner.
 - c. If still equal, a count-back from the final ball of the one over eliminator(s) shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses two wickets during its over, then any unbowled deliveries will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e including any runs resulting from wides, no ball or penalty runs.
 - i. Example: Assuming that the game has ended in a tie and goes to a super over. Both teams end up on 15 runs in the super over. If the first and second super over tie breakers (steps a & b above) also ends up in a tie, then the third tie-breaker can be applied as follows:

RUNS SCORED FROM	TEAM 1	TEAM 2
Ball 6	1	1
Ball 5	2	2
Ball 4	6	4
Ball 3	4	6
Ball 2	1	W
Ball 1	1	2

- ii. In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, team 1 scored 6 runs from its 4th ball while team 2 scored only 4 runs, so *team 1 is the winner*.

- **Miscellaneous**

1. In case of incidents that occur during the game that is not mentioned in this document, on-field umpires of that particular game have authorization to enforce the rule for that GAME ONLY.
2. 5 penalty runs will be awarded to the batting side, in case of ball touching personal gear/drink bottles/any other external removable unusual/unnatural object that is not part of the ground or not supposed to be inside the boundary line. Fielding side is responsible for keeping the ground debris free.
3. Schedule is subject to change, depending on MACC games and ground availability.
4. Umpires can overturn their decision if realized faulty. In a situation the umpire has given a decision without knowing some new rule or what really happened, the umpire can recall the decision after discussion with the second umpire on field. Umpires decision is final.
5. Captains should make sure that their team plays with good conduct and help maintain sportive environment on the field. Captains are required to manage their respective teams and avoid any arguments /discussions, Abusing umpires and fellow players on the ground during play. Any unethical behavior and conduct breach could lead to team's disqualification.
6. When a batter is out caught, new batter shall come in at the end striker was, to face the next ball, regardless of whether batters crossed or not.

- **Rescheduling of games**

No rescheduling allowed during group stage. In case of wash outs points will be split.
