Houston Premier T20 League (HPTL) – Rule book

Teams:

S.N	Pool A	Pool B	Pool C	Pool D
1	Falcons	Powerstars	Ground Breakers	RSCC
2	PCC	KMIB	Club Eden ATVS Stars	Spurcroft
3	Houston Titans	Fluxtek RCC	Royals	FECC
4	Crushers	Huskies	Artha Vikings	Flushear Blitz
5	Striders	Spring Vireos	BCC Legends	North Star Cricket Club
6	Rangers Cricket	Katy Ravens	Westridge Warriors	Avengers
7	Chargers	Houston Benchwarmers	Mavericks	Super Bulls

Grounds:

1. Sugar Land:

Four Corners Recreation Center

15700 Old Richmond Rd, Sugarland, TX 77498

2. Katy:

Katy Hockley Cricket grounds

8375-8987 Katy Hockley Cut Off Rd, Katy, TX 77493

3. Prairie View:

Prairie View Cricket Complex

304100-062-001-100, Prairie View, TX 77445

4. Jones Creek Park:

7714 Farm to Market 359 Richmond, TX, 77406 United States

Organization Team and Committee Members:

- Sunil Tallapaneni
- Sree Gummadi
- Shyam Sundar
- Srinivas Kakumanu
- Kalyan Chivukula
- Ramu Bharadwaj

Tournament Group Members:

- Each team can provide 3 members for representing the Team and they will be part of the Team that participates in the weekly meetings

Houston Premier T20 League (HPTL) – Rule book

On-Call Members:

- Please call the Org Team members that are not scheduled to play a game during the weekend for any rule clarification

Escalation point of contact for each group games:

- GroupA- Ramu Bharadwaj
- GroupB- Sree Gummadi
- GroupC- Srinivas Kakumanu
- GroupD- Shyam Sundar
- Backup- Kalyan Chivukula and Sunil Tallapaneni

Note: If a team that belongs to any of the point of contact is involved then the escalation will be handled by a backup person

Rules:

- In the match, all common international rules are applicable. **Any rules that are not defined in this rule book are considered standard rules from ICC rule book.**
<https://www.icc-cricket.com/about/the-icc/publications/playing-handbook/>
Refer to the latest year **ICC Playing Handbook**
No Leg before wicket and leg byes are allowed
- Above the waist full toss is a NO ball
- Between shoulder and head one ball per over is allowed. Over the head is a wide ball.
- Byes and over throws are included
- No ball, nicks to the keeper, height no ball, run outs, Neutral umpire's decision is final. Neutral Umpire can consult with leg-umpire to come to a decision.
- Winners will get 2 points for each match
- Each team must play minimum 4 matches in the league phase. The mandatory matches rule does not get applied unless a team has already lost 3 matches due to rain
- If a player from bowling team comes late, he can't bowl for the same number of overs he was outside the match. Example if a player comes 5 overs late, he can't bowl for 5 overs. A player cannot bowl for entire match if he comes after 10 overs are completed. However, he can bat for that match. Another scenario where a player from batting team didn't come and bat until the entire innings is done, He can still bowl in the second innings. Another scenario where player comes after batting is done and after bowling 10 overs is done, he can only field.
- The only possibility of getting a batsman out on a leg bye is when a keeper stumps the batsman
- ICC Standard for 30 yards (drawing a semicircle from both ends of the wickets should be used). After the game starts the 30 yard circle or the boundary should not be changed

Houston Premier T20 League (HPTL) – Rule book

- If the batting side complains of bowler chucking the ball then an evidence has to be recorded for the bowlers action and presented to the Umpire and Org team. No action can be taken on the bowler in the same game unless the main umpire determines the bowler to be chucking the ball
- It is umpires responsibility to check with the bowler for the bowling guard. Umpire cannot penalize a bowler for missing to update the guard
- Players outside the CricClubs roster, not allowed to play the game. If a team has concerns with opposite team playing someone not in the CricClubs roster they need to raise it with the Umpire so the Umpire can check and validate it on the ground. If a team is found to be playing anyone outside the roster then 2 points will be awarded for that game to the opposite team and one match suspension will be issued to the captain of the team. If a player is found to be playing in 2 teams in the same season the player will be suspended from any further matches for the season. No actions can be taken after the game.
- It is the responsibility of the Captain of each team to make sure no player is playing in other teams in the same season. If a team is found to be playing a player that has already played for other team in the same season then 2 points will be awarded for that game to the opposite team and one match suspension will be issued to the captain of the team.
- Org Team can reschedule the games 1 day ahead of the match, if a venue is found to be unavailable on the day of the game the points will be split for the teams. Org team will provide an alternative venue for the game if a ground is found to be unfit for the game 1 day prior the game.
- HPT20L has a strict policy of "NO SMOKING" and "NO TAKE A LEAK" on the ground. If any player is found to be doing this on the ground the player will be immediately suspended for the entire season with immediate effect on the same day. He is not allowed to participate in the game from that moment and the team cannot replace the player for that game and for the rest of the season
- A knockout game can be rescheduled only when a team with the same name is playing another Tape ball tournament and has another knockout game scheduled at the same time
- Umpiring assignments: Teams cannot deny the team assigned. They can request a particular team member not be assigned for their game
- L1 for the captain of the team in case of any Ball tampering incident as long as a neutral umpire confirms this
- The bronze cup games for both Professional and Premier Division will be a 15 over a side game instead of 20 overs a side
- For any game with 2 **neutral** umpires (main umpire and leg umpire) teams can review a decision with the leg umpire if they are not satisfied with the main umpire decision. The leg umpire will share his input with the main umpire and a joint decision will be shared with the team asking for the review
- No Warnings for Mankading necessary
- Wide Rule: ball follows the batsman up to the box (at the end of pitch)

Houston Premier T20 League (HPTL) – Rule book

- Fielders cannot move to left and right after the bowler starts to bowl (only walking in is allowed). Leg umpire can talk to the main umpire to bring this to his notice as a first occurrence. If main umpire determines this again he can issue a NO BALL
- New batsman to take strike always when a wicket falls
- Match Balls: Each team will be handed over 14 match balls (2 per game). Due to a shortage of the match balls all of them need to be sent back to the Organizers so they can be retaped
- Ground Cleanup: Current match teams to take a picture before the start of the game when a ground is not cleaned up and share with the Org team. If the previous game HPTL Teams are found to be responsible \$25 fine for each team
- If a team forfeits a game after the game is started and in progress (for any reason) the opposite team will be awarded the points for the game along with a prorated run rate. Example if a team forfeits a game chasing 120 runs around 6 overs at the score of 48/2 their score will be updated 48/2 in 20 overs.
- If a team forfeits bowling when opposite team have scored 48/2 in 6 overs chasing 120 the batting team total will be updated to 120/2 in 15 overs based on their run rate
- \$25 fine if any captain misses to carry the MVP trophy to the ground and the Opposite team complains to the Org team
- Matches should finish at the time allocated \$25 for every 10 mins of delay. Umpire will confirm which team caused the delay
- Match balls collection and Trophies collection \$25 fine after the deadline shared in the Tournament group
- If a team forfeits knockout game then it will start with a -2 points in the next season
- If a team forfeits last league game then it will start with a -2 points in the next season

Match Timing

- Matches if not started on time will be penalized. All games must start as per schedule.
- Maximum delay in the start of a game from its scheduled duration is 05 minutes. Any further delay would lead to penalty a reduction of 1 over (from the allocated 20 overs) for every 5 minutes of delay to the team that is causing the delay.
- If both teams cause the delay overs will be deducted @1 over every 5 mins of delay.
- If there is a delay from the Umpiring team. The umpiring team will be deducted 1 over for every 5 minutes of delay for their immediate match
- The responsibility of completing the matches within the allocated time is with the two participating teams and the neutral umpire. If the match is not completed within the allocated time, the two participating teams and the umpiring team will be fined. The details of the fines are given below.
- If the delay is less than or equal to 2 overs, all three teams will be fined \$25 each. If the delay is greater than 2 and less than or equal to 4 overs, all three teams will be fined \$50 each. If the delay is greater than 4 overs and less or equal to 6 overs, all three teams will be fined \$75 each. If there are more than 6 overs to be bowled when the duration of the match ends, the match will be stopped immediately and will be treated as an invalid match and the

Houston Premier T20 League (HPTL) – Rule book

playing teams will not get any points from the game. The scores of the game will be deleted and the playing teams will not be allowed to put in their playing eleven for consideration of the players for eligibility in the play-off matches. Basically the playing teams will lose one match.

- If the first match of the day is delayed, the teams and umpire of the second match have two options. They can reduce the overs of their match to complete the match in time so that the third match of the day starts on time. If they do that, then the fine from the morning match gets distributed to the teams of the second match of the day. The other option is for them to play their full overs and complete the match within their allocated time. If they do that, the fine of the first match will be distributed to the teams of the third match as they will be forced to play a reduced over match due to the delay of the first match carried over by the second match of the day. If the teams of the second match further delay the third match of the day, they will be fined as explained in point n and the teams for the third match will get the benefit of the delay in the first match and the second match. Every delay has to be reported to the organizer by the affected teams. A text message or an email will suffice. Calling the Organizer should be the last option in case of disputes.
- If none of the teams play a reduced overs match (it does not matter even if the team completes the game within the allocated time with full overs even though there was a delay due to the previous match), the teams which caused the delay will be still penalized and penalty will go to the tournament organizers.
 - Example. First match of the day gets delayed by 2 overs. Teams of the second match of the day can reduce the overs of their match so that the third match of the day gets started on time. If they do this, they will get an incentive of \$25 each which was the fine for the teams of the first match of the day. If they do not do this and play their full overs such that the third match of the day is delayed by 2 overs, the fine from the first match will be distributed to the teams of the last match of the day. If the teams of the second match add to the already existing delay of the first match, say now the third match is delayed by 4 overs (2 from first match and 2 from second match), the teams of the second match will be fined with \$25 each and the teams of the 3rd match of the day will be given an incentive of \$50 per team for playing a reduced overs match due to the delays of the first and the second match of the day. The responsibility for the delay of a match will be equally shared by all teams involved (two playing teams and umpiring teams), therefore it is in the interest of the teams to complete matches within the allocated time. If none of the affected teams did not play a reduced over match, the erring teams will still be penalized and the fine will go to the organizers.
- If time is lost due to injury or lengthy arguments/discussions in second innings of a match, the overs for the second innings are to be reduced based on the time lost for injury @ an over per 5 mins lost

Houston Premier T20 League (HPTL) – Rule book

- If the game time is completed and if the overs of the second innings are not completed and if the both the playing teams are in agreement, they can end the game at the completion of the game time to avoid penalty of not finishing the game on time. If any one of the playing teams is not in agreement, this cannot be done. The run rate for the first and the second innings would be based on the runs scored/over bowled for each innings at the end of the innings.
- If the umpiring team is the same for the match which got delayed and for the match where the teams had to play a reduced over game, the umpiring team will not get the benefit for playing the reduced game from the delayed game. The penalty will be shared by the teams playing the reduced game.
- If a team decides to end the innings abruptly when the other team is willing to continue the game based on the number of overs decided at the beginning of the second innings, it will be treated a forfeit by the team ending the game abruptly.
- If both teams want to continue playing the game based on what was decided at the beginning of the second innings and the umpire abruptly ends the game, the umpiring team will be penalized with one point
- If the teams of the next game walk in to disrupt the game when the previous game is in progress within the allowed delay for a game with the applicable penalty, such teams will be penalized with one point
- Below are the conditions umpire must update in the group for him to deduct overs:
 - ✓ Example based on a 07:00 AM schedule start time
 - ✓ Number of players available on ground from each team at 07:00 AM
 - ✓ Ground must be set up and be ready by 07:00 AM by home team
 - ✓ Toss, CricClubs players updates must be done before 07:05 AM
 - ✓ The game should start by 07:05 AM with at least 8 team members from both teams
 - ✓ After every weekend matches, ORG TEAM would monitor the timings of the matches. If Umpire has not followed rules, the umpiring team will be asked to follow them strictly

Umpiring:

- 1 Neutral umpire from each team will have to be sent from each team for the round games, each team will have to umpire for a minimum of 4 games in the round stage.
- Deadline for confirming the umpire for the weekend games is Wednesday 08:00 PM
- If a team does not confirm the umpire by Wednesday the penalty is \$25
- If a team fails to send an umpire they will need to pay \$100 penalty and inform the Organizing team by Wednesday of the week so they can arrange an alternate umpire. If an umpire is confirmed by the assigned team and does not report to the ground on the day of

Houston Premier T20 League (HPTL) – Rule book

the game the fine will be doubled to \$125. In such a case the 2 teams that umpired the game will be refunded \$50 each for umpiring their own game

- Loosing Team from the knockout games will be assigned the umpiring for the next round; For example Loosing team from a Pre quarters game will be required to send an umpire for the Quarters game
- Umpire decision is the final. Everyone must respect umpires and their decision.
- Captain can report on the umpire's quality of standards after the match to the Organizing team. However, during the match, all should behave professionally towards umpires and their decisions. Umpires shall provide a match report and a record of events from the game and any abuse towards umpires or the decisions will lead to a L1 for the player(as per code of conduct)
- A captain can request a change of the leg umpire if there are any scenario of unfair decision being made on more than 1 occasion (only if batting team is umpiring the game due to unavailability of neutral umpires).
- If the batsman moves away from the ball when its going leg side, it is not considered a wide. Umpires should make a note of it and make a fair judgment in this regard.
- If neutral Main Umpire's view is blocked by bowler and the ball get nicks to the keeper it is considered as NOT-OUT. Main umpire shall inform bowler not to block his view.
- Benefit of doubt always goes to the batsman
- If the assigned umpire is getting delayed the communication needs to be made ahead of time to the 2 captains of the teams. If no communication sent at all \$50 penalty for the delay to the assigned team for umpiring
- If 2 teams agree to change the start time of the game by more than an hour (for example if a game scheduled at 07:00 AM is going to start at 09:00 AM) then the team sending the umpire is not obliged to send an umpire for the game. Any schedule change has to be communicated 1 day prior to the game so the neutral umpire can plan accordingly
- Leg umpire (from Batting team) cannot be used to refer to determine if the ball hit the bat edge for caught behind appeal
- Team at the bottom of the table will have to umpire the Premier Division Quarters; Teams failing to reach prof pre quarters/quarters/Semifinals and Premier Semifinals will umpire corresponding next level games. Mandatory 2 neutral umpires from Quarter finals for both Professional and Premier division with 1 paid umpire and 1 umpire from team that did not make it to the next level. If any teams fails to umpire the assigned games they would be responsible for the expenses for the umpire

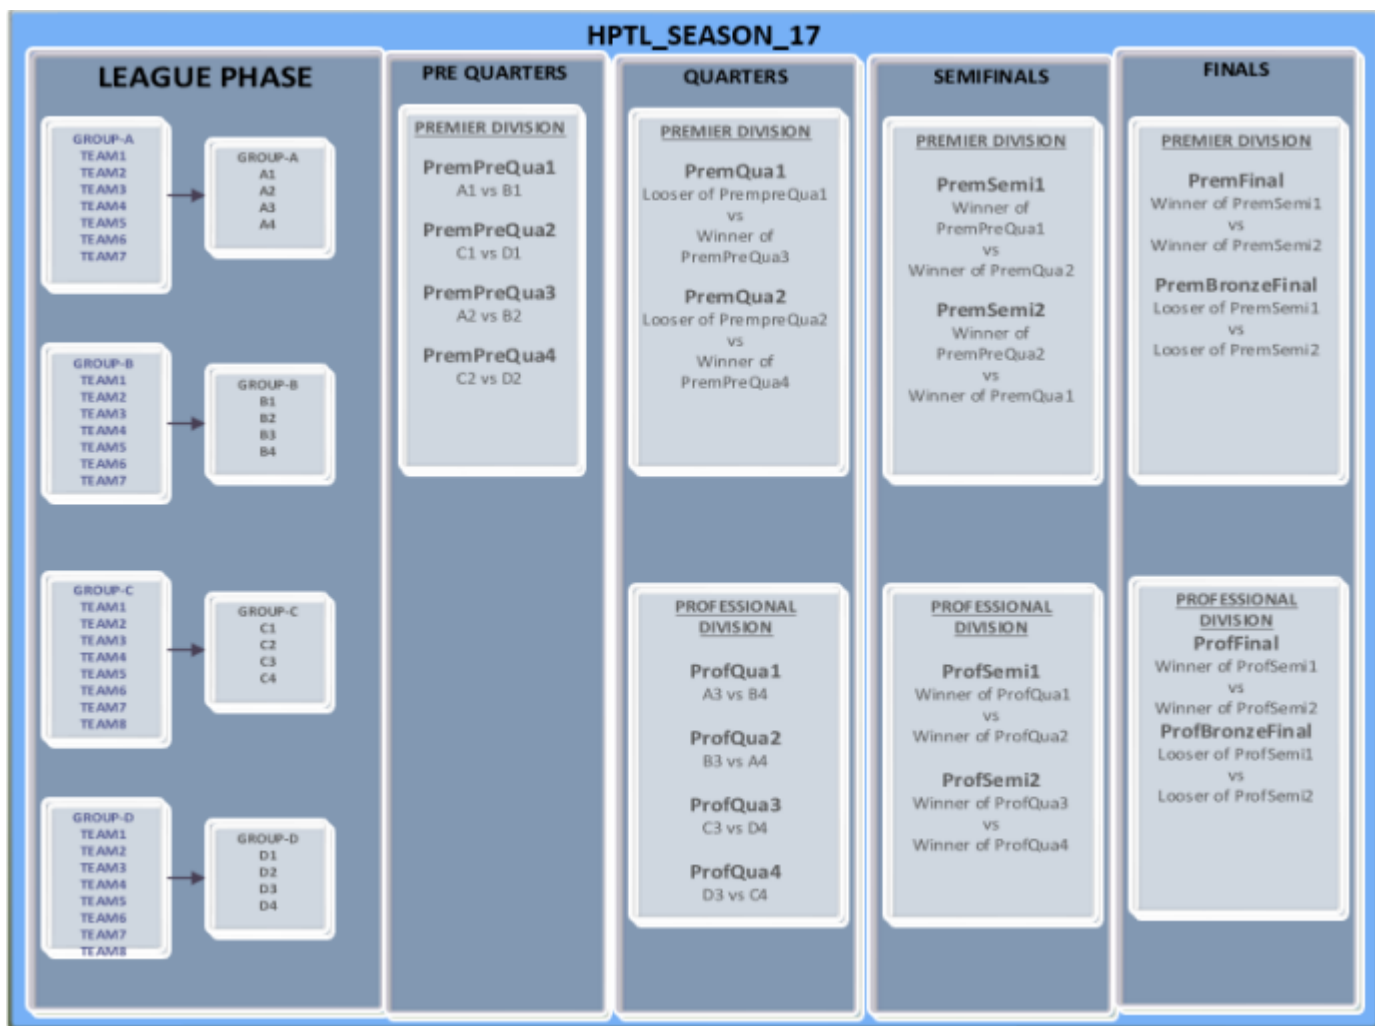

Format:

- Total of 29 Teams
- 2 groups of 8 teams each and 2 groups of 7 teams each with top 4 Teams from each group qualifying for the Professional Division Playoffs

Houston Premier T20 League (HPTL) – Rule book

- Each team will play 7 league games in the round stage
- Teams at position 1 and 2 will qualify for the **Premier Pre Quarters**
- Teams at position 3 and 4 will qualify for the **Professional Quarters**
- Teams that end up on positions 1 after the end of league stage will get the benefit of playing a second game if they loose in the pre quarters stage
- Seeding for the new season is based on ranking of the teams (as of the completion of League stage) from last season
- Refer trophies section for the list of all trophies for the tournament
- All games will be 20/20 over games

- **Duration:** The bowling side needs to complete their 20 overs in 90 minutes. 15 mins grace per innings. if any game goes beyond 3.5 hours \$25 fine per team. If Umpire identifies the delay is caused by a single team \$50 fine for the specific team

Houston Premier T20 League (HPTL) – Rule book

- **Number of overs per bowler:** A bowler can bowl a maximum of four overs. In a delayed or interrupted match, no bowler may bowl more than one fifth of the total overs allowed, unless such a number has been exceeded before the interruption.
- **Scheduled hours of play:** Games will be organized on Saturday and Sunday, Morning matches start at 07:00 a.m. (for example)
- **Tie:** If a Twenty 20 match ends in a tie (equal scores in 20 overs), the number of wickets do not matter, the outcome is decided by Tie deciders called Eliminator.
- **Eliminator:** Each team nominates three batsmen and one bowler to play a one-over per side “mini- match”, referred to as a Super over. In turn, each side bats one over bowled by the one nominated opposition bowler, with their innings over if they lose two wickets before the over is completed. The side with the higher score from their over wins. Here are some additional rules for the super over
 - Team that batted second in the T20 game will bat first in the Super over
 - Regular field with maximum of 5 fielders outside the 30 yards circle allowed
 - 3 Batsman and 1 bowler from each team will take part and they cannot be the same players
 - In case a super over results in a tie, the Super Over will be repeated until one team has more runs than the other
- **Any affected games:**
 - The 2 teams are allowed to replay a game affected (due to any reason example rain, non availability of ground etc..). If the 2 teams are unable to schedule their game during the same weekend the **points are split equally** among the teams and the game is marked as abandoned
 - If the match is called off after the start of the game due to rain or abandoned due to non-availability of ground after there are at least 10 overs bowled in the second innings of the game refer section **Weather affected games**. If 10 overs are not bowled in the 2nd innings the same rule above for the any affected games will be applied and points will be split equally between the teams unless the 2 teams agree and play the game from the start in the same weekend
 - If a game is affected due to rain at any point of the game the maximum 2 teams can wait to see if the weather can improve would be 60 minutes (**a total of 60 minutes** for the entire game)
- **Disputes:**

Houston Premier T20 League (HPTL) – Rule book

- Umpires are the final authority in regards to the play including timings. The team Captain(s) may complain to the tournament organizing team regarding any genuine concerns regarding the functioning of the game
- Captains from both teams are supposed to enquire about the ground availability ahead of the game and make sure the neutral umpire is aware of it so any changes to the number of overs to be played is decided before/during game
- In case of any dispute during the game due to weather or any other conditions the 2 captains of the playing team along with neutral umpire are supposed to involve the On-Call members (**refer Page #2**) by calling them to make sure we have a decision made, the teams should not leave the ground unless a decision is made to call off the game or share points is confirmed.
- **Team Squad:**
 - All teams need to update the 15 players (that directly qualify for playoffs) by ***06/01 Thursday 07:00 PM***. A snapshot will be taken. All teams will be allowed to add more players from 06/02 Friday night 07:00 PM CST
 - Captain/Vice Captains can add/update players
 - New player registration needs a valid email id
 - No maximum players limit
 - Any players outside the initial 15 players shared initially by the teams will have to play a minimum of 2 games to qualify for the Play off games
 - A list of players that qualify for the play offs will be published before the start of the play off games
 - All players must be registered with First Name and Last Name based on Driver's License
 - If 2 teams end up adding the same player into CricClubs and the player has not played a single game yet then player would be asked for a preference to play for the team and the **other team will loose the player for rest of the games in the season**
 - If a player has already played a game for 1 team in the tournament he cannot be moved to another team
 - If any player is found to be playing for more than 1 team in the league he will be removed from both teams and **both teams will loose the player for rest of the games in the season**
- **Playing 11:**
 - All the playing level 11 and 2 substitutes names (Full and last name) should be given to the umpire before the toss.
 - At the toss, a minimum of 8 players should show up at the ground to start the match.
 - If there are any delay to players reaching to the ground and the team starts the match with less than 11 players (minimum 8 players) then team captain should inform the neutral

Houston Premier T20 League (HPTL) – Rule book

umpire and opponent team captain about the delay. In CricClubs, the players should be added before the start of the game

- ✦ If they are batting then the remaining players shall join any time before their batting gets over.
- ✦ If they are bowling then the remaining players should join before start of 11th over. Failure to do so, they will be considered as substitute player.
- For e.g. if player(s) joins the team from 8th over then he cannot bowl for next 7 overs.
 - For each match, players should be selected from the given squad ONLY. Team captain and players should co-operate verifying their identity when requested, which is done at the start of the game. Failure to do so, it is up to the opponent team captain whether to allow or disallow such player to be played in the match. It is the responsible of each team captain to ensure their players carry the photo ID (Driver's License). Soft copy is also acceptable.
 - No other players outside the announced squad are allowed even for fielding during the game (even as substitutes)
 - Players are allowed to use hand gloves if the temperature is below 50 Degrees Fahrenheit. The Umpire needs to take the decision on the temperature and give a go ahead to the teams
- **Powerplay:** There will be two powerplay blocks. A mandatory powerplay of 4 overs at the start of the innings. In this powerplay, only two fieldsmen are permitted outside the field restriction area. If the maximum overs of a match is 18 overs for the tournament and not in a reduced over game, the next powerplay block of 2 overs will be taken by the batting team anytime between 5th and 16/18th over as applicable. If it is not taken by the 16/18th over as applicable, it will be mandatory from the 17th/19th over as applicable. If the maximum overs of a match is 20 overs or the tournament, the next powerplay block of 2 overs will be taken by the batting team anytime between 5th and 17/18th over as applicable. If it is not taken by the 17/18th over as applicable, it will be mandatory from the 19th/20th over as applicable. In this powerplay, only three fieldsmen are permitted outside the field restriction area. If the fielding team has less than 11 players, then the number of players allowed outside the field restriction area will come down proportionately. For example, if a team has only 10 fielders on the field, only one player will be allowed outside the field restriction area. The number of powerplay overs will not change in a reduced over game.
- **Fielding:**
 - **Field Restrictions:** At the instant of delivery, there may not be more than 5 fieldsmen on the leg side [Law 41.2.1] (Note: this rule is not enforced for offside field setting). In addition, no more than 5 fieldsmen shall be permitted outside the fielding restriction area (30 yards circle/single saving positions) [Law 41.2.4]. The spirit of this rule is that there should be at least 4 fielders on the offside and at least 4 fielders inside the 30 yard circle. If a team is fielding with less than 11 players, then it should still satisfy the condition of minimum 4 fielders within the circle and a minimum of 4 fielders on the off side which means that the number of maximum fielders allowed on the leg side/ outside the circle will come down

Houston Premier T20 League (HPTL) – Rule book

proportionately depending on the number of players which are less than 11. The maximum number of fielders allowed behind the square leg is 2. If more than 2 fielders are present behind square leg, a no ball will be signaled by the umpire. The number of allowed fielders behind the square leg will not come down if a team is fielding with less than 11 players.

- **Substitutes:** 2 substitutes maximum are allowed per game. If a substitute player is used for more than 10 overs in a 20 over match, that player will become the regular player and cannot be treated as a substitute for another player. Other player will not be allowed to enter the field in his place. A substitute player is allowed in the second innings only if a player is injured or the team batting first had less than 11 players. Even if the team batting first had less than 11 players, substitute players will not be allowed for players who batted in the first innings if they are not injured. There is no requirement for a batsman of a team to be present at any time on the game during the game to be eligible for batting. This is applicable irrespective of whether the team bats first or second.
- No two fielders close to leg umpire (To avoid confusion to the batsmen and the umpire).
- **No abusive language.** Team's captain and umpire can take decision to call off the game if players conduct is out of control.

Code of Conduct:

Disciplinary actions are categorized based on the below 3 levels of incidents:

- **L1:** Player(s) involved in arguments/verbal abuse/physical gestures with any one on the ground or any other actions of indiscipline.
Umpire issues a warning to a player(s) and updates the match report.
- **L2:** Second occurrence of L1 in same or different match is considered L2.
Suspension of 1 game (i.e. next immediate match) is awarded to the player involved.
- **L3:** Player(s) involved in arguments/verbal abuse/physical gestures/physical abuse that causes a disruption of the game. This decision is taken based on the inputs from the Umpires and if needed others present at the time of the incident.
The Chair Committee will be involved if there are any conflicts with arriving at the decision.
- If the Captain of a team fails to control his team during the game while the players cause misconduct an L1 will be issued
- All the penalties issued will be valid for 1 year from the date and will remain with the player (does not matter which team the player plays in the next seasons)

Houston Premier T20 League (HPTL) – Rule book

- New ball can be taken at 10th over. Only two balls allowed. If ball goes too bad even before, they can request to be replaced anytime during the game. Bowling team captain/umpire and Batting team captain shall be involved in decision to change the ball
- Forecast light drizzle that morning, someone from local team will examine the field and will send out communication to both teams early that morning in HPT20L WhatsApp group.
- Retired player can come back only after all the remaining players are either out or retired. Retired batsman has to come back in the same order (i.e. the third retired batsman can return to bat only after batsman 1 and 2).
If Batsman1 is unable to play and Batsman2 can be sent to ahead provided Batsman1 will not be able to play any further in the innings
- Umpire should consider the injury of the player on face value to allow him to retire (for example if a player concedes an injury that is not physical and visible it should be allowed)
- The communication in the HPT20 League Whatsapp group is strictly limited to the current season **ONLY. Team members should not post ANY message** to the group outside the scope of the ongoing Cricket season. If there are any important messages that need to be shared with the group please reach out to the Moderator of the group (updated under the Roles and Responsibilities section). The moderator will take a call on such messages and post it himself

- **Weather affected games:**

If a team batting first completes its innings and the overs has to be shortened for the second innings, the target shall be adjusted based on the run rate of the first team. Rolling up decimal points: any decimal value equals 0.5 or greater than 0.5 shall be rounded to the next higher whole number and decimal values less than 0.5 shall be rounded to the lower whole number. In addition, only the first 2 decimal places shall be considered, the rest shall be truncated.

i. For example, say Team A batting first scores 100 runs in 20 overs. Because of weather the overs are reduced to 15 for team B. Then based on team A's run rate 5.00/over (100 runs/20 overs) the target shall be reduced by 25 runs (5 runs * 5 overs +1) to 76 runs.

ii. Say Team A scores 99 runs in 20 overs. Then Team A's run rate is 4.95/over. Team B's target shall be approximated to 74 as $4.95 \text{ runs} * 15 \text{ overs} = 74.25 \text{ runs}$.

iii. Say Team A scores 101 runs in 20 overs. Then Team A's run rate is 5.01/over. Team B's target shall be approximated to 76 as $5.01 \text{ runs} * 15 \text{ overs} = 75.75$.

iv. Say if the match is played only for a max of 17 overs. Team A scores 99 runs in 17 overs. Then Team B's max overs are reduced to 15 overs. Then Team A's run rate is 5.82/over (note: actual value is 5.823... and is truncated to 5.82). Team B's target shall be approximated to 87 as $5.82 \text{ runs} * 15 \text{ overs} = 87.3$

Timings & Schedule

Houston Premier T20 League (HPTL) – Rule book

- Match schedules will be updated in CricClubs with all team's consensus.
- All game must start as per the schedule updated in CricClubs
- If playing two teams agree to start the match late, it needs to be informed to the Neutral Umpire in advance and post the details in HPT20L WhatsApp group
- Responsibility of ground setup is on with the playing teams
- **Maximum grace time for any game is 5 minutes from the scheduled start time**
- Please remove the trash after the match gets over.

Type of Ball

- Tape balls will be used for all games, we shall buy the tape balls or re-tape the balls.
