

JAGS CRICKET CLUB

ONE DAY CRICKET TOURNAMENT

Housekeeping Information

Covid – 19 Measures:

- As Covid-19 and its variants continue to spread, please take necessary steps to protect yourself and the people around you;
- Get a booster when it is available to you;
- Masks are not mandatory but recommended;

Logistics:

- All teams should bring a set of stumps;
- Water, banana, and Gatorade will be provided;
- Lunch will be provided to each team (3 pizzas - 2 vegetarian and 1 non-vegetarian);
- Used balls should be returned to the umpires after each innings; Umpires should return the balls to either one of the organizers or to the registration desk;

CricClubs:

- Check if your matches and umpire schedule are right;
- Check if all your players are in the roster;
- Please have the CricClubs app installed in at least 3 team member's phones;
- The admin access will be provided to the captain and/or the vice-captain;
- Ensure the app is working as it should, to avoid delays;
- Please refer to the scoring guide for instructions (<https://cricclubs.com/scoringGuide.do>);

Litter and Trash:

- *“Public parks have many health benefits for the people who use them, but litter in a park can cancel those out. Rather than promoting better physical health for the people who use it, litter actually increases levels of anxiety and depression. Food left behind also creates a food source for animals such as rats and other disease-carrying rodents. Litter has negative impacts on the health of a park and the people who use it.”*
- Let us prevent this and show our pride in the community;
- Each team will be provided with trash bags at the registration desk to collect the trash;
- Please be respectful of the community and ensure that your dugout is free of trash after every game to avoid penalty points;

We look forward to seeing you and thanks again for your support!
