### **SALIENT POINTS:**

1. Please go through the schedule properly .Tried to accommodate everyone's request to the best possible. There will be no more changes in the schedule.
2. Please go through our Rules document carefully and captains are responsible for any actions against the rules.
3. Each innings will start with a new ball. If the ball is lost in between the match, a same aged ball will be given to continue the match. Fielding side Captain is requested to hand over the ball once the game is done.
4. Main scoring will be done by organisers. Scorers from both the teams are requested to sit beside main scorer.
5. As this ground comes under Creek conservation authority, littering is strictly not allowed. There is a garbage bin where the thrash/garbage is supposed to be dumped. Please help us to maintain the beauty of nature around.
6. Game has to begin on time and that cannot be compromised as there are back to back matches in the same ground. Teams to be at least 30-45 minutes before their game. There will be penalty if the teams are late (Please read rule no 23 carefully in Cricket rules document)
