MADISON WOMEN'S CRICKET LEAGUE

SEASON GUIDELINES

- **Ground Boundaries and Pitch Length:** **35** yards (105ft) outer circle, **20** yards (60ft) inner circle. Crease to crease **16** yards (48ft). Stump to Batting Crease is **4ft**, middle stump to wide line is **3ft**.
- **Overs Per Innings:** **12** overs for all league games, and **15** overs for eliminators, semis, and finals.
- **Number of Bowlers and Maximum Overs Per Bowler:** Minimum **4** bowlers are required. Each bowler can bowl **3** overs maximum during leagues and **4** overs during Eliminators/Semis/Finals.
- **Breaks:** 5-mins during the innings (i.e., water break) and 30-mins between innings. The 5-min break is after the 6th over in the league and after the 8th over for eliminators, semis, and finals.
- **Power Play:** First **2** overs are a mandatory power play, and an additional **2** overs on the batting team's choice after the inning break during the league phase. The first **3** overs are a mandatory power play and an additional **2** overs on the batting team's choice after the inning break during eliminators/semis/finals. If the batting team doesn't take the second power play until the last two overs, then those two last overs will become mandatory power play. **3** fielders are allowed outside of the inner circle else the delivery is considered a no-ball.
- **Game Time Limits:** 70 mins for each inning with a 30-minute break between innings. The 70 minutes time limit includes the water break midway through an inning.
- **Boundaries and Runs:** New boundaries are as defined in the picture below.
