

**PLAYING CONDITION
FOR
RAIN AFFECTED GAME**

In the event of a washout (without bowl any ball) we can only play if:

Grounds are available on Saturday
Both teams are available on Saturday
Management is available on Saturday.

If the above conditions are not met, it's a draw and we have to share points.

If game stops after 6 overs of first innings are bowled, then it's a point sharing, we cannot play that game on some other day.

Thanking you

Markhor Management.
