Impact Player

Playing 13 can be selected after the toss

2 players can be subbed in as long as player subbed out stays where the team is seated.

Player getting subbed in will adopt the quotas of player subbed out.

- If sub out got out sub in can't bat,
- If sub out bowled 3 overs sub in can only bowl 1 over
- Warnings do not get carried on to the sub in player
 - 1 beamer, 1 warning for danger area etc.
- Only unused subs can be fielding substitutes

If player A bowled 2 overs and got subbed out, player B coming in can only bowl 2 overs.

If player A got out and then subbed out player B will not be able to bat

Substitutions Window: 10 over drinks and Innings break.

Team announces 2 Impact subs after the toss

All 13 members need to be entered in Cricclubs scoring app

The subs can be brought in:

- At the innings break
- At 10 over drinks break

What the sub can & can't do:

- Can –
 - bowl/bat/field/keep
 - Be subbed in innings 1 at the end of 10th over, subbed out again with the 2nd sub at the next sub window
 - Bat normally in place of the subbed-out player as long as the subbed out player was not dismissed
 - Can be used as a fielding sub prior to being subbed in
- Can't –
 - If subbed for a bowler who has bowled in the innings, the sub can only bowl the remainder of overs of the bowler he was subbed in for. (E.g. Sub out bowled 1over, sub-in can bowl 3)
 - Can't bat if subbed in for a player who has already been dismissed
 - Leave the team. Must be present with the squad till the end of the match.
 - Subbed out player can't be used as a fielding sub. Once a player is subbed out hes done for the day
