## Transfer Players between teams:

All last season Teams and their registered players were brought over into the new website for this current season. Captains and Managers should review to verify all their players are part of their current roster.

Do NOT create a new profile just to join a new team. Creating a new profile you will lose you historical statistics with the league

In our new website transfer of players between teams will now be managed by the Team Captains or Managers. If a player wants to move from Team A to Team B, captain of Team A will first have to release the player from his team to become available to move to Team B.

Transfer Steps:

1. Captain of Team A navigates to Update Team section.

[www.njsbcl.com/NJSBCL/updateTeam.do?teamId=901&clubId=2690](http://www.njsbcl.com/NJSBCL/updateTeam.do?teamId=901&clubId=2690)

## Weekenders Cup:

Weekenders Cup is a tournament we organize in parallel to our Main League. Teams that participate in the Main League also are eligible to register teams for this event.

All new teams playing in NJSBCL for the first time are added to Weekenders Cup

This event is a bit casual but just as competitive and fun

1. There are no neutral umpires and the playing teams take care of umpiring themselves.
2. You can pick players from multiple teams in main league to form your playing 11 for this event.
3. Players can play in both Main League and Weekenders Cup
4. This event may start couple weeks after main league.
5. All NJSBCL playing rules apply to Weekenders Cup

Based on number of teams registered if any slots are available teams could be added to Division 2.

We will confirm Divisions, Format, Pools and other details later post registration.
