Viewpoint

Following the lead of the pioneers of the North Texas Cricket Association (NTCA), which culminated in a youth program and won an ICC award in the yester years, the NTCA Youth League is a reality!

It gives me immense pleasure to announce that the Youth League has been launched and it played its inaugural match on March 6, 2021!

We are currently organized into three age groups, namely U-11, U-13 and U-16. undoubtedly we will continue to add more teams and more age groups. The present is a foundation which is expected to evolve.

Credit is due to the kids who are actively participating as players and then to the coaches, without whose collaboration, nothing would have been possible. On behalf of the NTCA I express our deepest sentiment to each and every one of them and to their respective academies:

Thiru Kumaran
Dhandapani Devarasan
Orlando Baker
Unni Krishnan

Texas Cricket Academy
Cricket Minds
High Performance Cricket
Lords Indoor Cricket

Our vision to make the Youth League vibrant, attractive, competitive and conducive to being the spring board from which future USA cricketer will emerge. In order to do that, we will be participating in youth tournaments of national repute and indeed we might create one of our own.

We would like the coaches to be active participants in our planning as we move forward. It is our view that they are closest to the playing crowd and hence most suitably positioned to observe their needs. Their input will be vital in shaping the youth league and I encourage them to reach out to us as frequently as they deem fit. The NTCA's aim is to facilitate. The leadership team should be comprised of the Youth League Administrators and the coaches.

From now onward it is we and us and not you and I. Here is what it means: The teams will play under the NTCA Youth League banner irrespective of whether it is locally or away. There will be no deviation.

It is conceivable that NTCA may permit a single academy to represent us away or abroad. However that would not be the norm. It would be an exception which should be explicitly sought and be granted. It can never be taken for granted.

We are most appreciative of Mr. Anand Pabari of India Bazaar for his support and for lending us his promotional materials. They appear in our book as the back cover.

I am personally indebted to Messrs. Madhivanan Durai, Ramesh Subramanian and Raj Shimpi for shouldering a multitude of tasks-each task being essential in its own right. Many thanks to my colleagues in the executive committee for their unwavering support and to Mr. M. Abid of EICA for his advice, marketing and support.

Nothing would be complete without the parents! I explicitly acknowledge this fact herein. We have parents in our midst, encompassing all walks of life and we could use their skills, talents, attributes and expertise in promoting and obtaining sponsorship for the Youth League. The Youth League belongs to you as much as it belongs to anyone else! Please see how can you help taking it to the next level, be it grounds, tours, finance and what not. Of course, please do not wait, come forward and take the lead. Together we can build for our youngsters and we have Miles to go before we sleep!

Sincerely,

Anwer Shahabuddin

1. Objective

The primary objective of the NTCA Youth League is to create and provide a round-the-year platform for young cricketers, to play competitive Cricket. This platform should serve as the spring-board for our youngsters to embark upon regional and national journeys.

2. Goal

The immediate goal is to start league competition for three age groups and then expand/amend as the need may be. These groupings may be changed if circumstances so warrant.

3. Eligibility

All youngsters falling under the age groups described below AND registered with USA Cricket will be eligible to participate in the NTCA Youth League.

4. Transfers / New Players

- Once a competition which may be a round robin or a tournament sanctioned by the Youth League commences, there shall be NO transfer from one team to another.
- A new player, providing he/she meets the age criteria and providing that he/she has not played for any other registered team or academy, could be added to any participating team and its roster.

5. Governance

- a. The NTCA Youth League will be governed by NTCA and its delegates.
- b. The Youth League and materials of this handbook will be integrated into the NTCA Constitution/By-Laws to provide continuity.

6. Representation

All teams selected from and amongst youth league players shall be deemed NTCA teams and shall play solely under the NTCA banner. This shall apply to:

With a high number of teams entering a category, teams may be split into two divisions. The league will decide the division for each registered team based on their past performances and current rankings. Teams will play each other within the division and each division will have its own set of awards. A player cannot be part of both divisions of the same category.

- Play shall not start until at least 7 registered players from each team are present.

- As follows from the preceding article, if the team batting first is dismissed before the completion of their allocated overs, the team batting second shall be entitled to face the full quota of allocated overs, providing a result has not been achieved earlier.
- Fielding Captains are required to monitor the time taken to bowl the overs but can seek advice from the umpires about the bowling rate.
- Umpires shall consider other circumstances such as delays caused by the batting side, time taken in retrieving the ball, injuries occurring or excessive heat.

Interrupted Matches

- Should a match be interrupted by rain or other un-avoidable circumstance, the following shall apply:
- If the interruption is at/before the beginning of the match, the remaining time will be equally divided between the two sides and the revised number of overs per innings shall be computed by allowing four minutes per over. The umpires may reduce the interval between innings to ten minutes.
- If the interruption occurs during the match, the overs to be bowled shall be revised by dividing the time lost by four minutes. The rounded off figure shall be the number of overs to be reduced. Subsequent interruptions, if any, shall be dealt with in the same manner.

Revised Bowlers’ Quota

- When total overs are reduced the Umpires shall recalculate the bowlers’ quota as well which shall be $1/5$ th of the revised maximum, rounded off.

- If the striker moves away from the ball and it passes over or outside the extra line, the delivery shall be deemed a wide (and thus called and signaled).
- Should a bowler bowl four wide deliveries, the bowler will be taken off. The remaining deliveries (2) shall be bowled by another bowler who may not bowl the next over from the other end. The over shall count as one for both bowlers as far as the quota is concerned.

26. Parental Guidelines

- Parents are instructed to keep some distance during the game. They may not get the opportunity to meet their kids during the break time unless any specific attention is required. If so, the umpires should be approached.
