## Summary of the discussion

No	
1	Quorum reached at 7:45 PM CST
2	Slightly Changed the order of agenda - Granted
3	Vishnu & Madhi described the NTCA calendar for Adult & Youth leagues.
4	Anwer provided insight into the Ground updates, especially the unavailability of NMCG ground. NMCG Ground is available only on Sundays & Monday - Wednesday Nights. This has impacted the T20 league schedule. Most of the clubs agreed to play T20 games on Weekday night slots.
5	NTCA Registration is closed. We have 54 teams in Primary League and 39 teams in T20 League. The season will commence in the first week of March.
6	Amongst the highlight presented to the general body were the playing condition changes being considered. This included major changes to our way of conducting protection, as well as, our umpiring scheme. Other important points were introduction of high quality match balls-both red and white, requiring match reports and steeper penalties for infractions.
7	The new protection scheme being considered was subjected to extensive debate. The general view was that it was complicated.
8	The new umpiring scheme did not permit standing for multiple teams of a club. This was also brought up and discussed.
9	All matters arising from items 6-8 will be revisited and analysed further. Revisions, amendments if any, and adoption thereof, will be relayed to the membership, initially via a write-up summarising the changes and then by updating the by-laws.
