From the Head of Cricket....

Steyn City School's U14 Boys Cricket Festival will have some of the best cricketing talent on display and it ends the cricket season on a high note. My wish is that every player enjoys the festival, facilities, and hospitality. Make new friends and create memories that will last a lifetime.

Thank you to everyone who is involved in making the festival successful. Best of luck and may cricket be the winner.

Kurt Human | Head of Cricket

From the Deputy Head of Co-Curricular...

Nelson Mandela wrote that 'Sport has the power to change the world' and we all know this to be true. It breaks barriers and builds relationships in ways that few other activities can. Festivals of this nature are naturally competitive but it is important to take the time between matches to mingle and allow friendships to be grown beyond the festival itself. Thank you to all involved and good luck.

AJ Rudman | Deputy Head: Co-Curricular Activities
