The screenshot shows a web browser at the URL `my.usacricket.org/update`. The page features a dark blue header with the USA Cricket logo on the left and two red buttons labeled "USA CRICKET" and "NEED HELP" on the right. The main content area is split into two sections. On the left, a large red-tinted image of a cricket team is overlaid with the text "Welcome to USA Cricket Membership portal". On the right, a white registration card titled "HELLO" contains the text "You have to add your mobile number to complete the registration process." Below this text is a mobile number input field with a dropdown menu showing "+1" and a blue "Next" button.

After entering OTP from your registered mobile number create a password. Account created successfully.

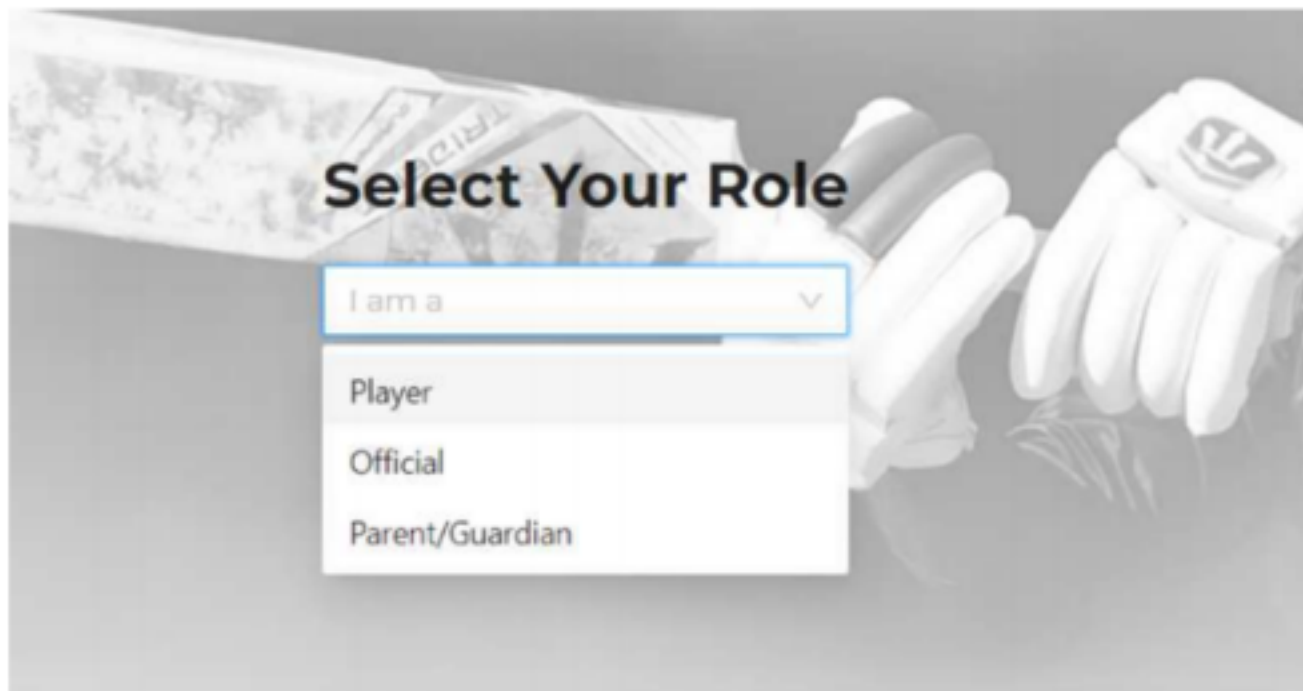

The screenshot shows the same web browser and page layout as the previous step. The registration card on the right is now titled "CREATE PASSWORD" and contains the text "Your email address and mobile number have been verified." and "Please go ahead and create your password to be able to proceed with the USA Cricket membership registration process." Below this text are two password input fields labeled "Enter Password" and "Confirm Password", each with a small eye icon to toggle visibility. A red "Create password" button is positioned at the bottom of the registration card.
