

WCL Participation Agreement

[All participating clubs and team members MUST accept these terms to participate]

Any team participating in any tournaments and activities conducted by the Westborough Cricket League (WCL) are participating at their own will and fully and unconditionally accept the WCL Participation Agreement.

The team representative:

1. Signing up with WCL takes full responsibility for the conduct of their members and teams represented in WCL and agree to abide by any decisions made by the WCL organizing board members. Failure to comply with the board rulings will result in termination of their participation in that tournament, the season, or any future engagements with WCL.
2. Takes full responsibility to inform their team members about the WCL policies, procedures and requirements and will pay the necessary dues on time to participate in the league.
3. Agrees on behalf of all their team members to never pursue any type of legal action against WCL, WCL board member, volunteers, and any other teams participating in the league at any circumstances.
4. Agrees to abide by any rules and regulations mandated by the governing organizations from whom the field is rented.
5. Agrees to never hold WCL, WCL board members, volunteers, and any other teams participating in the league responsible for any medical emergencies that may happen to their players on the field.
6. Agrees to comply with WCL board member rulings for any on and off field controversies. In the event of disagreement, the team has the right to abandon the organization at any point during the season. But, any such team that leave should understand that it is up to the WCL's discretion to deny participation in any future league activities.
7. Understands that the WCL dues are a one-time payment for each season and WCL will not reimburse partial credits for any reason, even in the event of termination of the club.
