

# 2018 OCL 30-30 Format

## Division 1:

### Round Robin:

- 12 games with one full round robin and a second random truncated round robin.
- Each team plays the other 7 teams once and 5 teams twice.
- T20 Finalists will play back to back games on one weekend due to late start of 30-30. So essentially, Division 1 teams will play 12 round robin matches in 13 weeks with one bye week during Labor Day Weekend in early September.
- The pairings for the second truncated round robin with 5 matches for each team are as follows:

Beaverton United	vs	Viking Reds
Northwest Wolves	vs	Beaverton Falcons
Viking Blues	vs	PCC Spartans
Beaverton Lions	vs	Multnomah
Multnomah	vs	Viking Reds
Viking Blues	vs	Northwest Wolves
Beaverton Lions	vs	Beaverton Falcons
Beaverton United	vs	PCC Spartans
PCC Spartans	vs	Viking Reds
Beaverton Lions	vs	Viking Blues
Beaverton United	vs	Northwest Wolves
Multnomah	vs	Beaverton Falcons
Viking Reds	vs	Beaverton Lions
Beaverton Falcons	vs	PCC Spartans
Northwest Wolves	vs	Multnomah
Viking Blues	vs	Beaverton United
Beaverton Falcons	vs	Viking Reds
Beaverton United	vs	Beaverton Lions
Multnomah	vs	Viking Blues
PCC Spartans	vs	Northwest Wolves

- Bottom 2 teams at the end of 12 matches will be with will be relegated to Division 2 for next year.
- Top 4 play playoffs as mentioned below.

### Playoffs:

- Playoff will be played with top 4 teams as following:

Semifinal 1	Rank # 1	vs	Rank # 4
Semifinal 2	Rank # 2	vs	Rank # 3

- Winner of the Semifinals will play for the 30-30 Championship Final.
- No rescheduling of any Round Robin matches, if there is no result in a match. There is no impact of No result matches on the Points Table. This Points system has evolved over the years to ensure that rain outs do not adversely impact teams since there is possibility of rain outs in Oregon even in the summer months. For No Result matches where play did take place, the scores will be included in the statistics.
- Division I Semi-finals will be held on Saturday, September 23rd. Since Division 2 Round Robin matches will also be scheduled on that day, OCL Management will keep one slot open on each of the four available fields (IHES/JDF/PCG/SYSP) on the Saturday of that weekend for the higher seeds in the semi-finals to pick one. The higher seed may not have a choice of the meridian (AM or PM), since a Division 2 match will already be scheduled during one of the meridians on the field. Only the start time and the field. The start time cannot be set such that an already scheduled match will be affected per the existing Playing Laws. IF there is NO Result reached on the Semi-Final on that Saturday, the Semi Final can be rescheduled for an available field during an open meridian slot on the following day, Sunday, September 24th. PCG is not available on that day. If the Semi-final match has no result on that day also then the higher seeded team progresses to the Final.
- Division I Finals will be held on Saturday, September 29th. Again, as for the Semi-finals, one slot on each field will be left open for the higher seed to pick the ground and the starting time on Saturday September 29. Picking the meridian may not be an option. If there is No result for the Finals Match on the Saturday, then the Final can be rescheduled on Sunday, September 30th. However, PCG and JDF are not available on that day. So, if the Final is re-scheduled it will have to be played either at IHES or SYSP.
- OCL management strongly recommends that Division 1 team managements inform their players of these Semi Finals and Finals dates so that the players can `clear their calendars` to play these important matches on those dates.

## Division 2:

- 12 games with full double round robin where they play everyone twice.
- NO PLAYOFFS.**
- Top 2 in Division 2 in the Points table after the 12 games are completed will be promoted to Division 1 for next year.
- Besides the Labor Day weekend, there will be 3 bye weeks (one of which will coincide with the Interstate Tournament match vs Boise CC). No double headers in any weekend. So, essentially Division 2 teams will play 12 games in 15 weeks with one of the bye weeks having an Interstate Tournament Match.

## Balls:

- Red Crown County Balls to be used at all games. 24 balls are currently on hand. Order for 240 more has been delayed.

2. OCL Management is considering the strong suggestions from SCC Avengers to use pink balls at SYSP. For now, red ball will be used.
