INTERNATIONAL CRICKET COUNCIL

CODE OF CONDUCT FOR PLAYERS AND PLAYER SUPPORT PERSONNEL

INTRODUCTION

The *ICC* is the international federation responsible for the global governance of the sport of cricket and the Code of Conduct for Players and Player Support Personnel (the “**Code of Conduct**”) is adopted and implemented as part of the *ICC*’s continuing efforts to maintain the public image, popularity and integrity of cricket by providing: (a) an effective means to deter any participant from conducting themselves improperly on and off the field-of-play or in a manner that is contrary to the Spirit of Cricket; and (b) a robust and proportionate disciplinary procedure pursuant to which all matters of improper conduct can be dealt with fairly, with certainty and in an expeditious manner.

Unless otherwise indicated, references to Articles and Appendices are to articles and appendices of the *Code of Conduct*. Words in italicised text in the *Code of Conduct* are defined terms and their definitions are set out in Appendix 1.

ARTICLE 1 SCOPE AND APPLICATION

- 1.1** All *Players* and *Player Support Personnel* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation (in the case of a *Player*) or assistance in a *Player*’s participation (in the case of a *Player Support Personnel*) in an *International Match*, such *Players* or *Player Support Personnel* shall be deemed to have agreed:
- 1.1.1** that it is their personal responsibility to familiarise themselves with all of the requirements of the *Code of Conduct*, including what conduct constitutes an offence under the *Code of Conduct*;
 - 1.1.2** to submit to the exclusive jurisdiction of any *Match Referee*, *Judicial Commissioner* or *Appeal Panel* convened under the *Code of Conduct* to hear and determine charges brought (and any appeals in relation thereto) pursuant to the *Code of Conduct*; and
 - 1.1.3** not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submission to the jurisdiction of the *Match Referee*, *Judicial Commissioner* or *Appeal Panel*.
- 1.2** All *Players* and *Player Support Personnel* shall continue to be bound by and required to comply with the *Code of Conduct* until he/she has not participated (in the case of a *Player*), or assisted a *Player*’s participation (in the case of a *Player Support Personnel*) in an *International Match* for a period of three (3) months from the date of his/her last participation and the *ICC* shall continue to have jurisdiction over him/her under the *Code of Conduct* thereafter in respect of matters taking place prior to that point.
- 1.3** Without prejudice to Articles 1.1 and 1.2, the *ICC* and the *National Cricket Federations* shall be responsible for promoting *Code of Conduct* awareness and education amongst all *Players* and *Player Support Personnel*.
- 1.4** It is acknowledged that certain *Players* and *Player Support Personnel* may also be subject to other rules of *National Cricket Federations* that govern discipline and/or conduct, and that the same conduct of such *Players* and/or *Player Support Personnel* may implicate not only the *Code of Conduct* but also such other rules that may apply. For the avoidance of any doubt, *Players* and *Player Support Personnel* acknowledge and agree that: (a) the *Code of Conduct* is not intended to limit the

responsibilities of any *Player* or *Player Support Personnel* under such other rules; and (b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of the *Match Referee*, *Judicial Commissioner* or *Appeal Panel* to determine matters properly arising pursuant to the *Code of Conduct*.

1.5 For the avoidance of any doubt:

1.5.1 all *Umpires* and *Match Referees* officiating in any *International Matches* are automatically bound by and required to comply with all of the provisions of the *ICC Code of Conduct for Match Officials and Match Official Support Personnel*; and

1.5.2 where a representative side of a *National Cricket Federation* participates in an *International Tour Match* against a domestic or invitational team, for the purposes of their participation in such *International Tour Match*:

1.5.2.1 all *Players* and *Player Support Personnel* representing the *National Cricket Federation's* representative side are automatically bound by, required to comply with, and shall submit themselves to the jurisdiction of this *Code of Conduct*; and

1.5.2.2 all players or player support personnel representing the domestic or invitational team shall not be bound by this *Code of Conduct*. Instead, such individuals will be bound by, required to comply with, and shall submit themselves to the jurisdiction of the relevant *National Cricket Federation's* own applicable rules of conduct.

ARTICLE 2 CODE OF CONDUCT OFFENCES

The Preamble of the *ICC Standard Test Match, ODI and T20I Playing Conditions*, sets out the definition of the Spirit of Cricket, as follows:

“Preamble – The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.”

The conduct described in Articles 2.1 to 2.22 amounts to conduct which breaches the Spirit of Cricket and therefore, if committed by a *Player* or *Player Support Personnel*, shall amount to an offence by such *Player* or *Player Support Personnel* under the *Code of Conduct*.

COMMENT: Where considered helpful, guidance notes have been provided in text boxes beneath the description of a particular offence. Such notes are intended only to provide guidance as to the nature and examples of certain conduct that might be prohibited by a particular Article and should not be read as an exhaustive or limiting list of conduct that may be prohibited by such Article.

The Code of Conduct offences cover a variety of different behaviours and levels of seriousness. It is not intended to penalize trivial behavior. For the purpose of determining the appropriate sanction for an offence, levels of charging have been assigned for each offence, ranging from Level 1 for conduct of a minor nature, up to Level 4 for conduct of an extremely serious nature. Where an offence is alleged to have been committed, the individual reporting the alleged offence must determine which of the assigned levels of offence is appropriate for the conduct in question. Reports can only be laid at the levels identified in respect of each particular offence below.

For the purposes of the Code of Conduct, the phrase “during an International Match” should be interpreted broadly to cover all conduct which takes place at the ground on the day of an International Match, and not just conduct which takes place on the field of play. It will therefore include conduct which takes place off the field of play, for example in the changing rooms, or during any of the intervals in the match.

For the avoidance of doubt, the ICC’s jurisdiction to take action against a Player or Player Support Personnel under this Code of Conduct is limited to incidents which take place (i) during, or in relation to, an International Match or (ii) during, or in relation to, an ICC Event. In circumstances where a Player or Player Support Personnel is involved in an off-field incident which may warrant action under this Code of Conduct and any code of conduct or disciplinary rules of the Player or Player Support Personnel’s National Cricket Federation, the ICC will consult with the relevant National Cricket Federation in order to determine what the most appropriate course of action against the Player or Player Support Personnel should be.

2.22 Minimum Over Rate Offences:

Failure by a fielding team participating in an *International Match* to meet the *Minimum Over Rate* requirements contained in Appendix 2 constitutes a **“Minimum Over Rate Offence”** under this *Code of Conduct* by each of the *Players* in that fielding team.

NOTE: *Subjective intent on behalf of the fielding team, or any member thereof, to waste time is not required. It is sufficient to establish that the Minimum Over Rate was not met. To avoid liability under this offence the fielding team would need to establish, on the balance of probabilities, that the shortfall was due to factors beyond their control and that the time allowances permitted by the Match Officials in calculating the required over rate were not sufficient. The presence or absence of subjective intent and the extent of the shortfall shall be relevant in relation to the issue of penalty.*

ARTICLE 3 REPORTING AN ALLEGED OFFENCE UNDER THE CODE OF CONDUCT

NOTE: *Where a Code of Conduct offence is alleged to have occurred during, or in relation to an ICC Event (whether on the field of play or otherwise), the Code of Conduct shall apply in full, but with a series of amendments to the reporting process (Article 3), disciplinary procedure (Article 5) and appeal process (Article 8) in order to ensure that any matters arising can be dealt with expediently. Such amendments are described in detail in Appendix 4.*

Where a Minimum Over Rate Offence may have occurred, see Appendix 2 for the reporting process, disciplinary process and sanctions that are to be applied.

3.1 Any one of the following individuals can report an alleged offence under the *Code of Conduct* (other than *Minimum Over Rate Offences* - as to which see Appendix 2) by lodging a report in the manner described in Article 3.2, below (a “**Report**”):

3.1.1 an *Umpire* that officiated in the *International Match* during which the alleged offence was committed;

3.1.2 the CEO of either of the two *National Cricket Federations* whose representative teams participated in the *International Match* during, or in relation to which, the alleged offence was committed, or his/her designee (provided that the identity of such designee is advised to the *ICC* by the *National Cricket Federation* in advance of, or at least at the same time as, the *Report* is lodged);

3.1.3 the *ICC’s Chief Executive Officer*, or

3.1.4 provided it is a *Level 4 Offence* that is alleged to have been committed (or a *Level 1 Offence*, *Level 2 Offence* or *Level 3 Offence* in relation to which the *Match Referee* was the victim of the alleged offence), the *Match Referee* that was appointed to officiate in the *International Match* during which the alleged offence was committed. (For the avoidance of any doubt, the *Match Referee* is not entitled to lodge a *Report* in relation to an alleged *Level 1 Offence*, *Level 2 Offence* or *Level 3 Offence* unless he/she was the victim of the alleged offence).

3.2 All *Reports* must be completed on Form “Rep 1” (or such other form as may be made available for such purpose by the *ICC* from time to time). All *Reports* must be signed and dated by the person lodging the *Report* as follows:

3.2.1 Where the *Report* is lodged by an *Umpire* (pursuant to Article 3.1.1):

| Level of Offence | On or Off-Field | Reporting Deadline | Report lodged with |
|------------------|-----------------|---|----------------------|
| Levels 1 & 2 | On Field | 24 hours from close of day’s play in the relevant <i>International Match</i> | <i>Match Referee</i> |
| | Off-Field | 48 hours after: (a) the commission of the alleged offence; or (b) the alleged offence was brought to his/her attention, save that the <i>Report</i> cannot be lodged more than 7 days after the conclusion of the relevant <i>International Match</i> . | |
| Level 3 | On or Off Field | 48 hours after: (a) the commission of the alleged offence; or (b) the alleged offence was brought to his/her attention, save that the <i>Report</i> cannot be lodged more than 7 days after the conclusion of the relevant <i>International Match</i> . | |

| | | | |
|---------|-----------------|--|------------------------------|
| Level 4 | On or Off Field | 7 days after the conclusion of the relevant <i>International Match</i> | <i>ICC's General Counsel</i> |
|---------|-----------------|--|------------------------------|

3.2.2 Where the *Report* is lodged by the CEO of either of the two *National Cricket Federations* (pursuant to Article 3.1.2);

| Level of Offence | On or Off-Field | Reporting Deadline | Report lodged with |
|------------------|-----------------|---|------------------------------|
| Levels 1 & 2 | On Field | 48 hours from close of day's play in the relevant <i>International Match</i> | <i>Match Referee</i> |
| | Off-Field | 96 hours after: (a) the commission of the alleged offence; or (b) the alleged offence was brought to his/her attention, save that the <i>Report</i> cannot be lodged more than 7 days after the conclusion of the relevant <i>International Match</i> . | |
| Level 3 | On or Off Field | 96 hours after: (a) the commission of the alleged offence; or (b) the alleged offence was brought to his/her attention, save that the <i>Report</i> cannot be lodged more than 7 days after the conclusion of the relevant <i>International Match</i> . | |
| Level 4 | On or Off Field | 7 days after conclusion of the relevant <i>International Match</i> | <i>ICC's General Counsel</i> |

3.2.3 Where the *Report* is lodged by the *ICC's Chief Executive Officer* (pursuant to Article 3.1.3):

| Level of Offence | On or Off-Field | Reporting Deadline | Report lodged with |
|------------------|-------------------|---|------------------------------|
| Levels 1, 2 & 3 | On or Off - Field | 7 days after the alleged offence is brought to his/her attention. | Match Referee |
| Level 4 | On or Off Field | 7 days after the alleged offence is brought to his/her attention. | <i>ICC's General Counsel</i> |

3.2.4 Where the *Report* is lodged by the *Match Referee* (pursuant to Article 3.1.4):

| Level of Offence | On or Off-Field | Reporting Deadline | Report lodged with |
|------------------|-----------------|--------------------|--------------------|
|------------------|-----------------|--------------------|--------------------|

| | | | |
|-----------------|-----------------|---|-----------------------|
| Levels 1, 2 & 3 | On or Off-Field | 48 hours after: (a) the commission of the alleged offence; or (b) the alleged offence was brought to his/her attention, save that the <i>Report</i> cannot be lodged more than 7 days after the conclusion of the relevant <i>International Match</i> . | ICC's General Counsel |
| Level 4 | On or Off-Field | 7 days after conclusion of the relevant <i>International Match</i> | |

Note: For the purposes of Articles 3.2.1 to 3.2.4 above, Reports should be lodged as soon as reasonably practicable. The time limits set out in the above tables constitute the latest time by which a Report can be lodged.

In all circumstances where a Report is to be lodged with the Match Referee if, for logistical reasons, it is impractical to lodge the Report with the Match Referee, it shall be lodged with the ICC's Cricket Operations Department within the same deadline.

3.3 Where it is alleged that a *Player* or *Player Support Personnel* has committed more than one offence under the *Code of Conduct* during, or in relation to an *International Match* or during, or in relation to an *ICC Event* (whether on the field of play or otherwise), whether arising out of the same set of facts or otherwise, then a separate *Report* should be filed in accordance with this Article 3 for each of the offences that are alleged to have been committed.

NOTE: For the avoidance of doubt, only one Report should be laid per offence. As such, where the incident in question could fall within more than one offence under Article 2, for example Article 2.7 (public criticism or inappropriate comment) and Article 2.21 (conduct that brings the game into disrepute) a Report should be laid only in respect of the offence which most specifically covers the relevant conduct (in the example above, Article 2.7) and not both offences.

ARTICLE 4 NOTIFICATION PROCEDURE

Level 1 Offences, Level 2 Offences, Level 3 Offences and Minimum Over Rate Offences:

4.1 Where a *Match Referee* receives a *Report* lodged under Articles 3.2.1, 3.2.2, 3.2.3, or Article 3.2 of Appendix 2 (in the case of *Minimum Over Rate Offences*), he/she must review the *Report* and determine whether the *Player* or *Player Support Personnel* named in the *Report* has a case to answer in relation to the offence identified in the *Report*. Where the *Match Referee* determines that there is a case to answer, he/she must promptly provide a copy of the *Report*, together with a completed Form "Not 1", (such documents comprising the '**Notice of Charge**'), to the following individuals:

4.1.1 the *Player* or *Player Support Personnel* named in the *Report*, or, where appropriate in the case of an offence under either Article 2.11 (manipulating an *International Match*), 2.14 (changing the condition of the ball), or 2.22 (failure to meet the *Minimum Over Rate*), the relevant *Team Captain*; and

4.1.2 the *Team Manager* of the relevant *Player* or *Player Support Personnel* named in the *Report*.

4.2 Where the ICC's *General Counsel* receives a *Report* lodged under Article 3.2.4, he/she must review the *Report* and determine whether the *Player* or *Player Support Personnel* named in the *Report*

has a case to answer in relation to the offence identified in the *Report*. Where the *ICC's General Counsel* determines that there is a case to answer, he/she must promptly provide a copy of the *Report*, together with a completed Form "Not 1" (such documents comprising the '**Notice of Charge**'), to the following individuals:

- 4.2.1 the *Player* or *Player Support Personnel* named in the *Report*, or, where appropriate in the case of an offence under either Article 2.11 (manipulating an *International Match*), 2.14 (changing the condition of the ball), or 2.22 (failure to meet the *Minimum Over Rate*), the relevant *Team Captain*; and
 - 4.2.2 the *Team Manager* of the relevant *Player* or *Player Support Personnel* named in the *Report*.
- 4.3 The *Notice of Charge* shall specify that the *Player* or *Player Support Personnel* shall have the following three options:
- 4.3.1 he/she may admit the offence charged and accede to the proposed sanction specified in the *Notice of Charge* (which sanction shall be strictly at the *Match Referee's* discretion, but at all times within the appropriate range for the level of offence). In such circumstances, and provided that such admission has been received by the *Match Referee* prior to the commencement of the hearing at the time/place specified in the *Notice of Charge*, the hearing before the *Match Referee* shall not be required and no further action shall be taken, save that the *ICC* shall promptly issue a public statement confirming: (a) the commission of an offence under the *Code of Conduct*; and (b) the imposition of the applicable sanction specified in the *Notice of Charge*; or
 - 4.3.2 he/she may admit the offence charged but dispute the proposed sanction specified in the *Notice of Charge*, in which case the matter shall proceed to a hearing in accordance with Article 5.1; or
 - 4.3.3 he/she may deny the offence charged, in which case the matter shall proceed to a hearing in accordance with Article 5.1.

Level 4 Offences:

- 4.4 Where the *ICC's General Counsel* receives a *Report* lodged under Articles 3.2.1., 3.2.2., 3.2.3 or 3.2.4, he/she must promptly conduct a review to determine whether the *Player* or *Player Support Personnel* named in the *Report* has a case to answer in relation to the specific type and/or level of offence identified in the *Report* (i.e. to determine, in the *ICC's* opinion, whether the specific type and level of offence noted in the *Report* is properly identified when reviewed against the conduct complained of).
- 4.5 If the initial review of the *Report* reveals that there is no case to answer in relation to the specific type and/or level of offence, then the *ICC* shall notify the person who filed the *Report* of that fact, advising them of the reasons that such a determination has been made and, where applicable, providing guidance on which specific type and level of offence the *ICC* considers to be appropriate. Upon receipt of such a decision, the person who filed the *Report* shall, notwithstanding the provisions of Article 3.2 and having considered the *ICC's* guidance in good faith, within a period of twenty-four (24) hours from the time of notification by the *ICC*, notify the *ICC* whether he/she wishes to: (a) revise the specific type and/or level of the offence charged, in which case a revised *Report* must be lodged with the *ICC* within such twenty-four (24) period; (b) proceed on the basis of the original *Report* lodged; or (c) withdraw the *Report*.
- 4.6 If the initial review of the *Report* reveals that there is a case to answer, or a revised *Report* is lodged with the *ICC* pursuant to Article 4.5, then the *ICC* shall promptly provide a copy of the *Report*,

together with a completed Form “Not 1” (such documents comprising the ‘**Notice of Charge**’) to the following individuals:

- 4.6.1 the *Player* or *Player Support Personnel* named in the *Report*; and
 - 4.6.2 the *Team Manager* of the relevant *Player* or *Player Support Personnel* named in the *Report*; and
 - 4.6.3 the CEO of the *National Cricket Federation* to which the relevant *Player* or *Player Support Personnel* is affiliated.
- 4.7 The *Notice of Charge* shall specify that the *Player* or *Player Support Personnel* shall have the following options:
- 4.7.1 he/she may admit the offence charged and accede to the proposed sanction specified in the *Notice of Charge* (which sanction shall be strictly at the ICC’s discretion, but at all times within the appropriate range for the level of offence). In such circumstances, and provided that such admission has been received by the ICC’s *General Counsel* prior to the commencement of the hearing at the time/place specified in the *Notice of Charge*, the hearing before the *Judicial Commissioner* shall not be required and no further action shall be taken, save that the ICC shall promptly issue a public statement confirming: (a) the commission of an offence under the *Code of Conduct*; and (b) the imposition of the applicable sanction specified in the *Notice of Charge*; or
 - 4.7.2 he/she may admit the offence charged but dispute the proposed sanction specified in the *Notice of Charge*, in which case the matter shall proceed to a hearing in accordance with Article 5.2; or
 - 4.7.3 he/she may deny the offence charged, in which case the matter shall proceed to a hearing in accordance with Article 5.2.

ARTICLE 5 THE DISCIPLINARY PROCEDURE

NOTE: Where a Match Referee appointed to adjudicate any matter brought under this Code of Conduct is not physically present at the relevant International Match (and therefore required to perform his/her duties remotely) or his/her appointment to that series of International Matches has ended and thus he/she is no longer in the same location at the teams, then all hearings arising under Article 5.1 will be held by telephone conference or video conference (if available) and the provisions of Article 5.1 are to be interpreted accordingly.

Level 1 Offences, Level 2 Offences, Level 3 Offences and Minimum Over Rate Offences:

- 5.1 Where a matter proceeds to a hearing under Article 4.3.2 or 4.3.3, then, subject to Article 5.7 below, the case shall be referred to the *Match Referee* for adjudication in accordance with the following procedure:
- 5.1.1 In the case of *Level 1 Offences, Level 2 Offences, Level 3 Offences* or *Minimum Over Rate Offences*, subject to the discretion of the *Match Referee* to order otherwise for good cause shown by the *Player* or *Player Support Personnel*, the hearing will take place at the time specified in the *Notice of Charge* (which should take place as soon as practicable and, in the absence of exceptional circumstances, no more than thirty-six (36) hours after the receipt by the *Player* or *Player Support Personnel* of the *Notice of Charge*) and, subject to the note to Article 5, in the country in which the alleged offence was committed. For the

avoidance of doubt, nothing in this Article 5.1.1 prevents a hearing from being convened at a time during which the *International Match* in relation to which the alleged offence took place, remains in progress.

- 5.1.2** The procedure followed at the hearing shall be at the discretion of the *Match Referee*, provided that the hearing is conducted in a manner which offers the *Player* or *Player Support Personnel* a fair and reasonable opportunity to present evidence (including the right to call and to question witnesses by telephone or video-conference where necessary), address the *Match Referee* and present his/her case.
- 5.1.3** The hearing before the *Match Referee* shall be in English, and certified English translations shall be submitted of any non-English documents put before the *Match Referee*. The cost of the translation shall be borne by the party offering the document(s).
- 5.1.4** Where video evidence of the alleged offence is available at the hearing before the *Match Referee*, then it may be relied upon by any party, provided that all other parties shall have the right to make such representations in relation to it that they may see fit.
- 5.1.5** Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the *Match Referee*: (a) the *Player* or *Player Support Personnel* who has been charged with the alleged offence; and (b) the person who lodged the *Report* (or, in the case of the *ICC's Chief Executive Officer*, his/her representative/nominee). Where any such individual has a compelling justification for his/her non-attendance, then they shall be given the opportunity to participate in the hearing before the *Match Referee* by telephone or video conference (if available). Without prejudice to the *Player* or *Player Support Personnel's* ability to call and to question such witnesses as may be necessary and/or to be represented by such other person of his/her own choosing pursuant to Article 5.1.6, one of the *Team Captain*, *Team Vice-Captain* or *Team Manager* of the team that the *Player* or *Player Support Personnel* represents may also attend such a hearing to provide additional support and assistance to the *Player* or *Player Support Personnel*.
- 5.1.6** Each of the individuals described in Article 5.1.5(a) and (b) shall have the right (at his/her or its own expense) to be represented at the hearing before the *Match Referee* by such representative (including legal counsel) of his/her or its own choosing. Where the person lodging the *Report* is an *Umpire* that officiated in the *International Match* in question or the *ICC's Chief Executive Officer*, then such person shall be entitled to be represented prior to, and during, the hearing (if he/she considers necessary) by a representative of the *ICC's* Legal Department.
- 5.1.7** The non-attendance of any *Player* or *Player Support Personnel* or his/her representative at the hearing, shall not prevent the *Match Referee* from proceeding with the hearing in his/her absence and issuing a ruling in relation to the offence charged.
- 5.1.8** At the end of a hearing, where the *Match Referee* considers that further evidence is necessary or further time is required to consider the evidence that has been presented, he/she shall adjourn the hearing for an appropriate period of time and make such directions as may be necessary.
- 5.1.9** Alternatively, at the end of a hearing:
- 5.1.9.1** brought under Article 4.3.2:
- (a) as soon as possible after the conclusion of the hearing (and, in any event, no later than twenty-four (24) hours thereafter), the *Match Referee* will confirm the *Player* or *Player Support Personnel's* admission that he/she

had committed a *Code of Conduct* offence and announce the substance of his/her decision. Within five (5) days after the conclusion of the hearing, the *Match Referee* shall issue his/her written decision, with reasons, setting out: (a) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (b) the date that any period of suspension shall come into force and effect; and (c) any rights of appeal that may exist pursuant to Article 8.

5.1.9.2 brought under Article 4.3.3 (or where the *Player* or *Player Support Personnel* has failed to respond in a timely fashion to the *Notice of Charge*):

- (a) the *Match Referee* shall adjourn the hearing (for a period of no less than ten (10) minutes and no more than twenty-four (24) hours), following which he/she will reconvene the hearing and verbally announce his/her finding as to whether a *Code of Conduct* offence has been committed;
- (b) where the *Match Referee* determines that a *Code of Conduct* offence has been committed, the *Player* or *Player Support Personnel* may request a short adjournment (of no more than thirty (30) minutes) to prepare any submissions that he/she might wish to make in relation to the appropriate sanction that ought to be applied; and
- (c) as soon as possible after the conclusion of the hearing (and, in any event, no later than twenty-four (24) hours thereafter), the *Match Referee* will announce the substance of his/her decision. Within five (5) days after the conclusion of the hearing, the *Match Referee* shall issue his/her written decision, with reasons, setting out: (a) the finding as to whether a *Code of Conduct* offence had been committed; (b) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (c) the date that any period of suspension shall come into force and effect; and (d) any rights of appeal that may exist pursuant to Article 8.

5.1.10 A copy of the written reasoned decision will be provided to the *Player* or *Player Support Personnel*, the CEO of the *Player* or *Player Support Personnel's National Cricket Federation*, and the ICC's *Cricket Operations Manager*.

5.1.11 Subject only to the rights of appeal under Article 8, the *Match Referee's* decision shall be the full, final and complete disposition of the matter and will be binding on all parties.

Level 4 Offences:

5.2 Where a matter proceeds to a hearing under Article 4.7.2 or 4.7.3, then the case shall be referred to a *Judicial Commissioner* for adjudication in accordance with the following procedure:

5.2.1 As soon as reasonably possible, the ICC shall appoint one member from the ICC's *Code of Conduct Commission* to sit as the *Judicial Commissioner* to hear the case sitting alone. The appointed member shall be independent of the parties, have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from a country participating in the *International Match*, during, or in relation to which, the alleged offence was committed.

5.2.2 The *Judicial Commissioner* shall convene a preliminary hearing with the individual lodging the *Report* pursuant to Article 3.1 (the **Complainant**) and his/her legal representatives (if any), together with the *Player* or *Player Support Personnel* and his/her legal representatives (if any). The preliminary hearing should take place as soon as possible by

telephone conference call unless the *Judicial Commissioner* determines otherwise. The non-participation, without compelling justification, of the *Player* or *Player Support Personnel* or his/her representative at the preliminary hearing, after proper notice of the preliminary hearing has been provided, shall not prevent the *Judicial Commissioner* from proceeding with the preliminary hearing, whether or not any written submissions are made on behalf of the *Player* or *Player Support Personnel*. Where the initial *Report* was lodged by someone other than the individual described in Article 3.1.3, the *ICC* will be notified and invited to participate in any such preliminary hearing convened by the *Judicial Commissioner* through its representative.

5.2.3 The purpose of the preliminary hearing shall be to allow the *Judicial Commissioner* to address any preliminary issues that need to be resolved prior to the hearing date. In particular (but without limitation), the *Judicial Commissioner* shall:

5.2.3.1 determine the date(s) upon which the full hearing shall be held. Save in exceptional circumstances or where the parties otherwise agree, the full hearing should take place no longer than fourteen (14) days after the receipt by the *Player* or *Player Support Personnel* of the *Notice of Charge*.

5.2.3.2 establish dates reasonably in advance of the date of the full hearing by which:

- (a) the *Complainant* shall submit an opening brief with argument on all issues that the *Complainant* wishes to raise at the hearing and a list of the witnesses that the *Complainant* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that the *Complainant* intends to introduce at the hearing;
- (b) the *Player* or *Player Support Personnel* shall submit an answering brief, addressing the *Complainant's* arguments and setting out argument on the issues that he/she wishes to raise at the hearing, as well as a list of the witnesses that he/she intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that he/she intends to introduce at the hearing; and
- (c) the *Complainant* may (at its discretion) submit a reply brief, responding to the answer brief of the *Player* or *Player Support Personnel* and listing any rebuttal witnesses that the *Complainant* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of any other exhibits that the *Complainant* intends to introduce at the hearing; and

5.2.3.3 make such order as the *Judicial Commissioner* shall deem appropriate in relation to the production of relevant documents and/or other materials between the parties.

5.2.4 Subject to the discretion of the *Judicial Commissioner* to order otherwise for good cause shown by either party, or if otherwise agreed between the parties, hearings before the *Judicial Commissioner* shall take place in the country in which the alleged offence was committed.

5.2.5 The procedure followed at the hearing shall be at the discretion of the *Judicial Commissioner*, provided that the hearing is conducted in a manner which offers the *Player* or *Player Support Personnel* a fair and reasonable opportunity to present evidence

(including the right to call and to question witnesses by telephone or video-conference where necessary), address the *Judicial Commissioner* and present his/her case.

- 5.2.6** The hearing before the *Judicial Commissioner* shall be in English, and certified English translations shall be submitted of any non-English documents put before the *Judicial Commissioner*. The cost of the translation shall be borne by the party offering the document(s). If required by the *Judicial Commissioner* (at his/her discretion), the *ICC* shall make arrangements to have the hearing recorded or transcribed. If requested by the *Player* or *Player Support Personnel*, the *ICC* shall also arrange for an interpreter to attend the hearing. Such costs of transcription and interpretation shall be paid by the *ICC*.
- 5.2.7** Where video evidence of the alleged offence is available at the hearing before the *Judicial Commissioner*, then it may be relied upon by any party, provided that all other parties shall have the right to make such representations in relation to it that they may see fit.
- 5.2.8** Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the *Judicial Commissioner*: (a) the *Player* or *Player Support Personnel* who has been charged with the alleged offence; and (b) the *Complainant* (or, in the case of the *ICC's Chief Executive Officer*, his/her representative/nominee). Where any such individual has a compelling justification for his/her non-attendance, then they shall be given the opportunity to participate in the hearing before the *Judicial Commissioner* by telephone or video conference (if available). In addition, a representative of the *ICC's* legal department shall be entitled to attend any such hearing. Without prejudice to the *Player* or *Player Support Personnel's* ability to call and to question such witnesses as may be necessary and/or to be represented by such other person of his/her own choosing pursuant to Article 5.2.9, one of the *Team Captain*, *Team Vice-Captain* or *Team Manager* of the team that the *Player* or *Player Support Personnel* represents may also attend such hearing to provide additional support and assistance to the *Player* or *Player Support Personnel*.
- 5.2.9** Each of the individuals described in Article 5.2.8(a) and (b) shall have the right (at his/her or its own expense) to be represented at the hearing before the *Judicial Commissioner* by such representative (including legal counsel) of his/her or its own choosing. Where the *Complainant* is an *Umpire* or *Match Referee* that officiated in the *International Match* in question or the *ICC's Chief Executive Officer*, then such person shall be entitled to be represented prior to, and during, the hearing (if he/she considers necessary) by a representative of the *ICC's* Legal Department.
- 5.2.10** The non-attendance of the *Player* or *Player Support Personnel* or his/her representative at the hearing, after proper notice of the hearing has been provided, shall not prevent the *Judicial Commissioner* from proceeding with the hearing in his/her absence, whether or not any written submissions are made on his/her behalf.
- 5.2.11** At the end of a hearing, where the *Judicial Commissioner* considers that further evidence is necessary or further time is required to consider the evidence that has been presented, he/she shall adjourn the hearing for an appropriate period of time and make such directions as may be necessary.
- 5.2.12** Alternatively, at the end of a hearing:
- 5.2.12.1** brought under Article 4.7.2:
- (a) as soon as possible after the conclusion of the hearing (and, in any event, no later than forty-eight (48) hours thereafter), the *Judicial Commissioner* will confirm the *Player* or *Player Support Personnel's* admission that he/she had committed a *Code of Conduct* offence and announce the

substance of his/her decision. Within seven (7) days after conclusion of the hearing, the *Judicial Commissioner* shall announce his/her written decision, with reasons, setting out: (a) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (b) the date that any period of suspension shall come into force and effect; and (c) any rights of appeal that may exist pursuant to Article 8.

5.2.12.2 brought under Article 4.7.3 (or where the *Player* or *Player Support Personnel* has failed to respond in a timely fashion to the *Notice of Charge*):

- (a) the *Judicial Commissioner* shall adjourn the hearing (for a period of no less than ten (10) minutes and no more than twenty-four (24) hours), following which he/she will reconvene the hearing and verbally announce his/her finding as to whether a *Code of Conduct* offence has been committed;
- (b) where the *Judicial Commissioner* determines that a *Code of Conduct* offence has been committed, the *Player* or *Player Support Personnel* may request a short adjournment (of no more than thirty (30) minutes) to prepare any submissions that he/she might wish to make in relation to the appropriate sanction that ought to be applied; and
- (c) as soon as possible after the conclusion of the hearing (and, in any event, no later than forty-eight (48) hours thereafter), the *Judicial Commissioner* will announce the substance of his/her decision. Within seven (7) days after conclusion of the hearing, the *Judicial Commissioner* shall announce his/her written decision, with reasons, setting out: (a) the finding as to whether a *Code of Conduct* offence had been committed; (b) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (c) the date that any period of suspension shall come into force and effect; and (d) any rights of appeal that may exist pursuant to Article 8.

5.2.13 A copy of the written reasoned decision will be provided to the *Player* or *Player Support Personnel*, the CEO of the *Player* or *Player Support Personnel's National Cricket Federation*, the *Complainant* and the *ICC's Cricket Operations Manager*.

5.2.14 Subject only to the rights of appeal under Article 8, the *Judicial Commissioner's* decision shall be the full, final and complete disposition of the matter and will be binding on all parties.

General Principles of Procedure

5.3 Where a *Report* is filed by more than one of the individuals described in Article 3.1 in relation to the same alleged offence under the *Code of Conduct*, then the *Player* or *Player Support Personnel* alleged to have committed the offence will only be served with one *Notice of Charge* in accordance with the procedures set out in Article 4. However, all persons who filed a *Report* (or, in the case of the *ICC's Chief Executive Officer*, his/her representative/nominee) in relation to the alleged offence are required to attend the hearing before the *Match Referee* or *Judicial Commissioner* unless there is a compelling justification for his/her non-attendance, in which case they shall be given the opportunity to participate in the hearing by telephone or video conference (if available).

5.4 Where two or more *Players* or *Player Support Personnel* are alleged to have committed offences under the *Code of Conduct*, they may both be dealt with at the same hearing where the proceedings

arise out of the same incident or set of facts, or where there is a clear link between separate incidents, as follows:

- 5.4.1 any number of *Level 1 Offences* and/or *Level 2 Offences* and/or *Level 3 Offences* can all be determined by a *Match Referee* at the same hearing; and
 - 5.4.2 any number of *Level 4 Offences* can all be determined by a *Judicial Commissioner* at the same hearing; and
 - 5.4.3 a *Level 1 Offence* and/or *Level 2 Offence* and/or *Level 3 Offence* can be determined by a *Judicial Commissioner* at the same hearing as a *Level 4 Offence*; but
 - 5.4.3 a *Level 4 Offence* cannot be determined by a *Match Referee* at the same hearing as a *Level 1 Offence* or a *Level 2 Offence* or a *Level 3 Offence*, and separate proceedings should therefore be issued in relation to each alleged offence.
- 5.5 Where a *Player* or *Player Support Personnel* is alleged to have committed more than one breach of the *Code of Conduct* during, or in relation to the same *International Match*, then all of the alleged offences may be dealt with at the same hearing, as follows:
- 5.5.1 any number of *Level 1 Offences* and/or *Level 2 Offences* and/or *Level 3 Offences* can all be determined by a *Match Referee* at the same hearing; and
 - 5.5.2 any number of *Level 4 Offences* can all be determined by a *Judicial Commissioner* at the same hearing; and
 - 5.5.3 a *Level 1 Offence* and/or *Level 2 Offence* and/or *Level 3 Offence* can be determined by a *Judicial Commissioner* at the same hearing as a *Level 4 Offence*; but
 - 5.5.3 a *Level 4 Offence* cannot be determined by a *Match Referee* at the same hearing as a *Level 1 Offence* or a *Level 2 Offence* or a *Level 3 Offence*, and separate proceedings should therefore be issued in relation to each alleged offence.
- 5.6 Any failure or refusal by any *Player* or *Player Support Personnel* to provide assistance to a *Match Referee* or *Judicial Commissioner* in connection with any charge made pursuant to this *Code of Conduct* may constitute a separate offence (depending upon the seriousness and context of such failure or refusal) under Article 2.20 of the *Code of Conduct*.
- 5.7 Where a *Match Referee* lodges a *Report* with the *ICC's General Counsel* pursuant to Article 3.2, and, pursuant to Article 4.2, the *ICC's General Counsel* determines that there is a case to answer, he/she shall appoint a member of the *ICC's Code of Conduct Commission* (who shall have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from a country participating in the *International Match* during, or in relation to which, the alleged offence was committed) to hear the case as a replacement to the *Match Referee* and all of the remaining procedure will apply accordingly.
- 5.8 In addition to, and notwithstanding, Article 5.7 above, where a *Match Referee* is, or becomes, unwilling or unable to hear a case (for example, where he/she finds him/herself in a position of conflict), then the *ICC's General Counsel* shall have the discretion to appoint the *ICC's Chief Referee* or such other referee as the *ICC* deems to be appropriate in all the circumstances. Where the *ICC's Chief Referee* (or such other referee) is unwilling or unable to hear the case, a member of the *ICC's Code of Conduct Commission* (who shall have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from a country participating in the *International Match* during, or in relation to which, the alleged offence was committed) as a replacement to the *Match Referee* and all of the remaining procedure will apply accordingly.

- 5.9** Where a *Judicial Commissioner* is, or becomes unwilling or unable to hear a case (for example, where he/she finds him/herself in a position of conflict), then the *ICC's General Counsel* shall have the discretion to appoint another member of the *ICC's Code of Conduct Commission* (who shall have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from a country participating in the *International Match* during, or in relation to which, the alleged offence was committed) as a replacement to the *Judicial Commissioner* and all of the remaining procedure will apply accordingly.
- 5.10** The *ICC* will issue a public announcement regarding any decision of the *Match Referee* or *Judicial Commissioner* made under the *Code of Conduct*, as soon as is reasonably practicable after the decision has been communicated to the parties. The public announcement of the decision may include details of the offences committed under the *Code of Conduct* and of the sanctions imposed, if any. Until such time as a public announcement is published, all parties and participants in the proceedings shall treat such proceedings as strictly confidential. For the avoidance of doubt, nothing in this Article shall prevent any party (or any relevant *National Cricket Federation*) publicly confirming the date of the hearing, the offence that is alleged to have been committed and/or the name of the *Player* or *Player Support Personnel* charged.

ARTICLE 6 STANDARD OF PROOF AND EVIDENCE

- 6.1** Unless otherwise described herein, the standard of proof in all cases brought under the *Code of Conduct* shall be whether the *Match Referee* or *Judicial Commissioner* is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof in all cases shall be determined on a sliding scale from, at a minimum, a mere balance of probability (for the least serious offences) up to proof beyond a reasonable doubt (for the most serious offences).
- 6.2** The *Match Referee* or *Judicial Commissioner* shall not be bound by judicial rules governing the admissibility of evidence. Instead, facts relating to an offence committed under the *Code of Conduct* may be established by any reliable means, including admissions.
- 6.3** The *Match Referee* or *Judicial Commissioner* may draw an inference adverse to the *Player* or *Player Support Personnel* who is asserted to have committed an offence under the *Code of Conduct* based on his/her refusal, without compelling justification, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *Match Referee* or *Judicial Commissioner*) and/or to answer any relevant questions.

ARTICLE 7 SANCTIONS ON PLAYERS AND PLAYER SUPPORT PERSONNEL

COMMENT: *The aim of the sanctioning regime under this Code of Conduct is to (a) sanction those Players and Player Support Personnel found to have committed an offence under the Code of Conduct, and (b) to act as a deterrent to other Players and Player Support Personnel to deter them from conducting themselves improperly on and off the "field of play". The ICC believes that the threat of a suspension is the strongest deterrent to bring about a change in behavior, hence the system of accumulated Demerit Points which is included in the Code of Conduct.*

- 7.1** Where a *Match Referee* or *Judicial Commissioner* determines that an offence under the *Code of Conduct* has been committed, he/she will be required to impose an appropriate sanction on the *Player* or *Player Support Personnel*.
- 7.2** In determining the appropriate sanction, the *Match Referee* or *Judicial Commissioner* shall take into account any factors that he/she deems relevant and appropriate to the mitigation or aggravation of the nature of the *Code of Conduct* offence before determining, in accordance with the table set out in Article 7.3 below, what the appropriate sanction(s) should be.

7.3 In addition to sanctions imposed by a *Match Referee* or *Judicial Commissioner* under Article 7.2 above, *Demerit Points* will be imposed upon a *Player* or *Player Support Personnel* found to have committed an offence under the *Code of Conduct*. The number of *Demerit Points* imposed will be calculated by reference to the sanction imposed for the particular offences, as set out in the following table.

| LEVEL OF OFFENCE | RANGE OF PERMISSIBLE SANCTIONS | CORRESPONDING <i>DEMERIT POINTS</i> | |
|-----------------------------------|---|---|---|
| Level 1 | Warning and/or the imposition of a fine of up to 50% of the applicable <i>Match Fee</i> . | Warning or 0-25% fine | 1 |
| | | 26-50% fine | 2 |
| Level 2 | The imposition of a fine of between 50-100% of the applicable <i>Match Fee</i> or up to two (2) <i>Suspension Points</i> . | 50-100% fine or 1 <i>Suspension Point</i> | 3 |
| | | 2 <i>Suspension Points</i> | 4 |
| Level 3 | The imposition of between four (4) and twelve (12) <i>Suspension Points</i> .* | 4-7 <i>Suspension Points</i> | 5 |
| | | 8-12 <i>Suspension Points</i> | 6 |
| Level 4 | The imposition of twelve (12) <i>Suspension Points</i> or a suspension for a fixed period of time ranging between, at a minimum, the lesser of the equivalent of twelve (12) <i>Suspension Points</i> and one (1) year, up to a maximum of a lifetime's suspension. | 12 <i>Suspension Points</i> | 7 |
| | | Fixed period of suspension between 12 <i>Suspension Points</i> or one (1) year, and a lifetime suspension | 8 |
| <i>Minimum Over Rate Offences</i> | See specific sanctions described in the table at Article 4 of Appendix 2. | N/A | |

Demerit Points will remain on a *Player* or *Player Support Personnel's* disciplinary record for a period of twenty-four (24) months from their imposition following which they shall be immediately expunged.

*** NOTE:** In all cases marked with a *, the maximum 'actual' period of suspension shall be no more than one (1) year, irrespective of the number and/or the practical application of any *Suspension Points* that might be imposed.

7.4 Where a *Match Referee* or *Judicial Commissioner* imposes a period of suspension on any *Player* or *Player Support Personnel*, then, unless such period is for a fixed period of time (for example,

one year) then, any such period of suspension shall be referenced by *Suspension Points*, which shall carry the following weightings:

7.4.1 a *Test Match* or any other *International Match* of at least four days in duration is given a weighting of two (2) *Suspension Points*;

7.4.2 a *One Day International Match* or *Twenty20 International Match* is given a weighting of one (1) *Suspension Point*; and

7.4.3 all other *International Matches* are given a weighting of one (1) *Suspension Point*.

7.5 Each time a *Player* or *Player Support Personnel* is found to have committed an offence under the *Code of Conduct* and a sanction is imposed by a *Match Referee* or *Judicial Commissioner*, corresponding *Demerit Points* as per the table in Article 7.3 above shall be added to the *Player* or *Player Support Personnel's* record and accumulated with any existing *Demerit Points* imposed on the *Player* or *Player Support Personnel* within the previous twenty-four (24) months. The ICC's Cricket Operations Department will keep an accurate and up-to-date record of all *Demerit Points* imposed upon *Players* and *Player Support Personnel* and will carry out the process of accumulating *Demerit Points* each time a *Player* or *Player Support Personnel* is found to have committed an offence and sanctioned.

7.6 Where a *Player* or *Player Support Personnel* accumulates a total of four or more *Demerit Points* as set out in the table below, these *Demerit Points* shall be converted into *Suspension Points* (at the point that the *Player* or *Player Support Personnel* first crosses the relevant threshold) as follows:

| Accumulated <i>Demerit Points</i> | Corresponding <i>Suspension Points</i> |
|--|---|
| 4-7 | 2 |
| 8-11 | 4 |
| 12-15 | 6 |
| 16 and above | 8 |

7.7 Notice of the amount of *Demerit Points* imposed and the accumulated total, together with any resulting *Suspension Points*, will be communicated by the ICC's Cricket Operations Department, as soon as is reasonably practicable, to the *Player* or *Player Support Personnel* at the same time as notice is provided to the CEO of the *Player* or *Player Support Personnel's National Cricket Federation* of the commission of the offence and resulting sanction. Any resulting *Suspension Points* imposed on the basis of accumulated *Demerit Points* shall be applied in accordance with the principles set down in Article 7.9 below and shall take effect immediately upon notice of the same to the *Player* or *Player Support Personnel*.

7.8 Any *Suspension Points* imposed on a *Player* or *Player Support Personnel* through the accumulation of *Demerit Points* will be applicable in addition to, and, for the avoidance of doubt, not in place of, any *Suspension Points* or period of suspension imposed by the *Match Referee* or *Judicial Commissioner* pursuant to Article 7.2 above. However, any such period of suspension shall run concurrently with any period of suspension imposed by the *Match Referee* or *Judicial Commissioner*.

EXAMPLE OF THE APPLICATION OF DEMERIT POINTS:

1. A Player commits a Level 1 offence and receives a fine of 50% from the Match Referee.
2. That Player will correspondingly receive two (2) Demerit Points in respect of that offence on his/her disciplinary record.
3. The same Player then commits a Level 2 offence three (3) months after the Level 1 offence was committed and is sanctioned with 2 Suspension Points by the Match Referee.
4. The Level 2 offence will equate to four (4) Demerit Points.
5. As the second offence took place within three (3) months of the first offence, the Demerit Points imposed in respect of the second offence are added to the Demerit Points imposed in respect of the first offence, meaning that the Player now has an accumulated total of six (6) Demerit Points.
6. Six (6) Demerit Points equate to a suspension equivalent to two (2) Suspension Points (i.e. 1 Test Match or 2 ODIs or 2 T20Is). Such suspension will be served by the Player concurrently with the suspension imposed in respect of the Level 2 offence.
7. After completing his/her suspension, the Demerit Points remain on the Player's disciplinary record for a period of twenty-four (24) months.
8. Three (3) months later, the Player commits another Level 2 offence and is sanctioned for that offence with a 100% fine.
9. A further three (3) Demerit Points will then be added to the Player's disciplinary record in respect of that offence, taking his/her accumulated total within twenty-four (24) months to nine (9) Demerit Points.
10. Nine (9) Demerit Points equate to a suspension equivalent to four (4) Suspension Points (i.e. 2 Test Matches, 1 Test Match and 2 ODIs/T20Is or 4 ODIs or 4 T20Is). Such suspension will be served by the Player immediately upon notice of the same in accordance with Article 7.7.
11. After completing his/her suspension, the Demerit Points remain on the Player's disciplinary record for a period of twenty-four (24) months.

7.9 Where *Suspension Points* are imposed against a *Player* or *Player Support Personnel* (whether by a *Match Referee* or *Judicial Commissioner*, or through the accumulation of *Demerit Points* in accordance with Article 7.6 above), then such *Suspension Points* will be applied in accordance with the following principles:

7.9.1 the *Match Referee*, *Judicial Commissioner* or the *ICC* (as applicable) shall have regard to the *Player's* or *Player Support Personnel's* participation in the various formats of *International Matches* over the previous two years in order to determine (to the best of his/her ability) which of the forthcoming *International Matches* the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in;

7.9.2 where necessary, the *Match Referee* or *Judicial Commissioner* shall be entitled to consult with the *ICC* in order to make a determination as to which of the forthcoming *International Matches* the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in;

7.9.3 in so far as is reasonably possible, the *Match Referee*, *Judicial Commissioner* or the *ICC* (as applicable) shall apply the *Suspension Points* to the subsequent *International Matches* in which the *Player* is most likely to participate in or the *Player Support Personnel* is most

likely to assist the participation of a *Player* in, on a chronological basis immediately following the announcement of the decision;

- 7.9.4** where a *Player* or *Player Support Personnel* has his/her *Suspension Points* applied to an *International Match* that is subsequently cancelled, postponed or otherwise abandoned prior to the actual day on which it is scheduled to take place, then such *Suspension Points* must be reallocated to the next subsequent *International Matches* in which the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in. Where an *International Match* is cancelled, postponed or otherwise abandoned at any time on the actual day on which it is scheduled to take place, then the *Suspension Points* will remain allocated to that *International Match*, irrespective of such cancellation, postponement or abandonment.

EXAMPLES OF THE APPLICATION OF SUSPENSION POINTS:

1. Where a *Player's* playing history suggests that he/she is most likely to represent his/her National Cricket Federation in Test Matches only, then the *Suspension Points* shall be applied to his/her future participation in Test Matches only, so that six (6) *Suspension Points* would be applied to the three (3) Test Matches immediately following the announcement of the decision, notwithstanding that the National Cricket Federation might be participating in intervening One Day International Matches and/or Twenty20 International Matches.
2. Where a *Player's* playing history suggests that he/she is likely to be selected to represent his/her National Cricket Federation in all formats of International Matches, then the *Suspension Points* shall be applied to his/her future participation in all International Matches in the sequential order in which such International Matches take place immediately following the announcement of the decision. The examples set out below, would apply to the following chronological list of potential playing fixtures:
 - Code of Conduct decision
 - One-Day International Match - weighting 1 *Suspension Point* ("**Match A**")
 - One-Day International Match - weighting 1 *Suspension Point* ("**Match B**")
 - Test Match - weighting 2 *Suspension Point* ("**Match C**")
 - Test Match weighting 2 *Suspension Point* ("**Match D**")
 - Twenty20 International Match - weighting 1 *Suspension Point* ("**Match E**")
 - Twenty20 International Match - weighting 1 *Suspension Point* ("**Match F**")
 - (a) One (1) *Suspension Point* would be applied to Match A;
 - (b) Two (2) *Suspension Points* would be applied to Matches A and B;
 - (c) Three (3) *Suspension Points* would be applied to Matches A, B and E;
 - (d) Four (4) *Suspension Point* would be applied to Match A, B and C;
 - (e) Five (5) *Suspension Points* would be applied to Matches A, B, C and E;
 - (f) Six (6) *Suspension Points* would be applied to Matches A, B, C and D;
 - (g) Seven (7) *Suspension Points* would be applied to Matches A, B, C, D and E;
 - (h) Eight (8) *Suspension Points* would be applied to Matches A, B, C, D, E and F.

7.10 For the avoidance of any doubt:

7.10.1 the *Match Referee* or *Judicial Commissioner* will have no jurisdiction to adjust, reverse or amend the results of any *International Match*;

7.10.2 where a *Player* or *Player Support Personnel* is found guilty of committing two separate *Code of Conduct* offences that do not relate to the same incident or set of circumstances arising during an *International Match* and sanctioned separately for each offence, then any sanctions should run cumulatively (and not concurrently);

- 7.10.3** where a *Player* or *Player Support Personnel* is found guilty of committing two *Code of Conduct* offences in relation to the same incident or set of circumstances arising during an *International Match* and sanctioned separately, then any sanctions imposed should run concurrently (and not cumulatively);
- 7.10.4** nothing in this *Code of Conduct* shall permit plea bargaining in relation to any alleged offence committed under this *Code of Conduct*;
- 7.10.5** where the *Match Referee* or *Judicial Commissioner* finds a *Player* or *Player Support Personnel* not guilty of the offence allegedly committed under the *Code of Conduct*, then it remains open to him/her, at his/her discretion, to find the *Player* or *Player Support Personnel* guilty of an offence of a lower level than that with which he/she has been charged. For example where a *Player* or *Player Support Personnel* has been charged with (but been found not guilty of) 'showing dissent at an *Umpire's* decision' (Article 2.8) at Level 2, the *Match Referee* may, instead, find the *Player* or *Player Support Personnel* guilty of the same offence at Level 1 and impose an appropriate sanction; and
- 7.10.6** where a fine and/or costs award is imposed against a *Player* or *Player Support Personnel*, then such fine and/or costs award must be paid: (a) by the *Player* or *Player Support Personnel* (and not any other third party, including a *National Cricket Federation*); (b) to the *Player* or *Player Support Personnel's National Cricket Federation* (for onward transmission to the *ICC*) within one calendar month of receipt of the decision imposing the fine. However, the *ICC* will consider any request from any *Player* or *Player Support Personnel* to make the payment of such fines and/or costs over a prolonged period of time on the grounds of financial hardship. Should any fine and/or costs award (or agreed part-payment or instalment thereof) not be paid to the relevant *National Cricket Federation* within such deadline or by the time of the next agreed payment date, the *Player* or *Player Support Personnel* may not play, coach or otherwise participate or be involved in any capacity in any *International Match* until such payment has been satisfied in full.
- 7.11** Where a *Player* or *Player Support Personnel* has had *Suspension Points* imposed against him/her or has been suspended for a fixed period of time, he/she may not play, coach or otherwise participate or be involved in any capacity in the *International Match(es)* which: (a) are covered by the application of his/her *Suspension Points* as determined in accordance with Article 7.9; or (b) take place during the fixed period of his/her suspension.

NOTE: For the avoidance of any doubt, a *Player* or (where relevant) *Player Support Personnel* who has had *Suspension Points* imposed against him/her or has been suspended for a fixed period of time shall not, during the *International Matches* which are covered by his/her *Suspension Points* or the period of suspension:

- (a) be nominated as, or carry out any of the duties or responsibilities of, a substitute fielder; or
- (b) enter any part of the playing area (which shall include, for the avoidance of doubt, the field of play and the area between the boundary and perimeter boards) at any time, including during any scheduled or unscheduled breaks in play.

In addition, *Player Support Personnel* so sanctioned shall not be permitted to enter the players' dressing room (including the viewing areas) during any *International Match* covered by his/her *Suspension Points* or the period of suspension. *Players* so sanctioned will, however, be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the relevant *International Match* is not within the player area described in (b) above (for example, no such *Player* shall be permitted access to an on-field 'dug-out').

Finally, any *Player* or *Player Support Personnel* so sanctioned shall not be prevented from attending any post-match ceremonies or presentations taking place anywhere on the field of play or otherwise following the conclusion of an *International Match* covered by his/her *Suspension Points* or the period of suspension unless

the suspension or Suspension Points have been imposed in respect of a Level 3 or Level 4 Offence under this Code of Conduct. In such circumstances, the Player or Player Support Personnel shall not be permitted to attend such ceremonies or presentations.

- 7.12** Once any *Suspension Points* or fixed period of suspension has expired, the *Player* or *Player Support Personnel* will automatically become re-eligible to participate (in the case of a *Player*) or assist the participation (in the case of a *Player Support Personnel*) in *International Matches* provided that he/she has paid, in full, all amounts forfeited under the *Code of Conduct*, including any fines, compensatory awards or award of costs that may have been imposed against him/her.

ARTICLE 8 APPEALS

NOTE: *For the avoidance of doubt, the right of appeal will be determined by reference to the level of offence which the decision of the Match Referee or Judicial Commissioner (as applicable) relates to, and not necessarily the Level of offence originally reported.*

By way of example, a Judicial Commissioner may have been asked to determine a Level 4 Offence, but in coming to his/her decision, he/she has exercised the right afforded to him/her in Article 7.10.5 and found the Player or Player Support Personnel concerned not guilty of the Level 4 Offence, but guilty of a Level 3 Offence. In such circumstances, the right of appeal shall be determined on the basis of the Level 3 Offence and thus in accordance with Article 8.2.

In circumstances where the application of this note would lead to the same level of adjudicator hearing the appeal as heard the first instance case, then the relevant adjudicatory body shall be the higher body. By way of example, in the example listed above, an Appeal Panel would have the jurisdiction to hear the appeal against the Level 3 Offence even though technically under the Code of Conduct a Judicial Commissioner would hear the appeal, as the first instance hearing was held before a Judicial Commissioner. The terms of this Article 8 should therefore be construed accordingly.

8.1 Appeals from decisions in relation to a Level 1 Offence

- 8.1.1** Decisions made under the *Code of Conduct* by a *Match Referee* in relation to a *Level 1 Offence* shall be non-appealable and shall remain the full and final decision in relation to the matter.

8.2 Appeals from decisions in relation to: (a) a Level 2 or Level 3 Offence; or (b) a Minimum Over Rate Offence

- 8.2.1** Decisions made under the *Code of Conduct* by a *Match Referee* in relation to: (a) a *Level 2* or *Level 3 Offence*; or (b) a *Minimum Over Rate Offence*, may be challenged solely by appeal as set out in this Article 8.2. Such decision shall remain in effect while under appeal unless any *Judicial Commissioner* properly convened to hear the appeal orders otherwise.
- 8.2.2** The only parties who may appeal a decision of this nature shall be: (a) the *Player* or *Player Support Personnel* found guilty of the offence or, where appropriate in the case of an offence under either Article 2.11 (manipulation of an *International Match*), 2.14 (changing the condition of the ball), or 2.22 (failure to meet the *Minimum Over Rate*), the relevant *Team Captain*; (b) the person who lodged the *Report* pursuant to Article 3.1; and (c) the *ICC's Chief Executive Officer* (or his/her designee).
- 8.2.3** Any notice to appeal under this Article must be lodged with the *ICC's General Counsel* within 48 hours of receipt of the written decision of the *Match Referee*. In all cases, a copy of such notice will also be provided to the CEO of the *National Cricket Federation* to which the *Player* or *Player Support Personnel* is affiliated and the person who lodged the *Report* pursuant to Article 3.1. Thereafter, the following will apply:

- 8.2.3.1 Upon filing a *Notice of Appeal* pursuant to this Article 8.2, the party appealing the decision shall pay to the ICC an appeal fee of US \$15,000 (the “**Appeal Fee**”). In circumstances where the appeal is successful (i.e. where either the sanction originally imposed is reduced, and/or the decision on guilt is overturned), the *Appeal Fee* shall be refunded to the appealing party.
- 8.2.3.2 Within 48 hours of receipt of a notice to appeal: (a) the ICC’s *General Counsel* will appoint a member of the ICC’s *Code of Conduct Commission* who is (unless otherwise agreed between the parties) from a country other than those participating in the *International Match* during, or in relation to which, the alleged offence was committed, to act as *Judicial Commissioner* and hear the appeal sitting alone; and (b) the *Match Referee* will provide a written statement to the ICC’s *General Counsel* setting out any relevant facts (to be copied to the *Player* or *Player Support Personnel*).
- 8.2.3.3 The *provisions* of Articles 5.1.2 to 5.1.11, applicable to proceedings before the *Match Referee*, shall apply *mutatis mutandis* (ie with changes deemed to have been made as required to reflect the different context) to appeal hearings before the *Judicial Commissioner*.
- 8.2.3.4 The *Judicial Commissioner* shall hear and determine all issues arising from any matter which is appealed pursuant to this Article on a *de novo* basis, ie he/she shall hear the matter over again, from the beginning, without being bound in any way by the decision being appealed. For the avoidance of doubt, the *Judicial Commissioner* shall have the power to increase or decrease, amend or otherwise substitute a new decision on the appropriateness (or otherwise) of the sanction imposed at first instance, provided that any new sanction must be within the permitted range of sanctions set out in the table in Article 7.3 (or, where applicable, Article 4 of Appendix 2).
- 8.2.3.5 Appeal hearings pursuant to this Article 8.2 should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than seven (7) days after the appointment of the member of the *Judicial Commissioner*. It shall be open to the *Judicial Commissioner*, in his/her discretion, to determine that the matter (or any part thereof) be dealt with by way of written submissions only.
- 8.2.3.6 Any decision made by the *Judicial Commissioner* under this Article 8.2, shall be the full, final and complete disposition of the matter and will be binding on all parties.

8.3 Appeals from decisions in relation to a **Level 4 Offence**

- 8.3.1 Decisions made under the *Code of Conduct* by a *Judicial Commissioner* in relation to a **Level 4 Offence** may be challenged solely by appeal as set out in this Article 8.3. Such decision shall remain in effect while under appeal unless any properly convened *Appeal Panel* orders otherwise.
- 8.3.2 The only parties who may appeal a decision made in relation to a **Level 4 Offence** shall be: (a) the *Player* or *Player Support Personnel* found guilty of the offence; (b) the person who lodged the *Report* pursuant to Article 3.1; and (c) the ICC’s *Chief Executive Officer*.
- 8.3.3 Any notice to appeal under this Article must be lodged with the ICC’s *General Counsel* within seven (7) days of receipt of the written decision of the *Judicial Commissioner*. In all cases, a copy of such notice will also be provided to the CEO of the *National Cricket Federation* to which the *Player* or *Player Support Personnel* is affiliated. Thereafter, the following will apply:

- 8.3.3.1** Upon filing a *Notice of Appeal* pursuant to this Article 8.3, the party appealing the decision shall pay to the ICC an *Appeal Fee*. In circumstances where the appeal is successful, the *Appeal Fee* shall be refunded to the appealing party.
- 8.3.3.2** Within seventy-two (72) hours of receipt of a notice to appeal: (a) the ICC's *General Counsel* will appoint three members of the ICC's *Code of Conduct Commission* each of whom are (unless otherwise agreed between the parties) from a country other than those participating in the relevant *International Match* to sit as the *Appeal Panel* to hear the appeal; and (b) the *Judicial Commissioner* will provide a written statement to the ICC's *General Counsel* setting out any relevant facts (to be copied to the *Player* or *Player Support Personnel*).
- 8.3.3.3** The provisions of Articles 5.2.2 to 5.2.14, applicable to proceedings before the *Judicial Commissioner*, shall apply *mutatis mutandis* (ie with changes deemed to have been made as required to reflect the different context) to appeal hearings before the *Appeal Panel*.
- 8.3.3.4** Where required in order to do justice (for example to cure procedural errors at the first instance hearing), the appeal shall take the form of a re-hearing *de novo* of the issues raised by the case. In all other cases, the appeal shall not take the form of a *de novo* hearing but instead shall be limited to a consideration of whether the decision being appealed was erroneous.
- 8.3.3.5** Appeal hearings pursuant to this Article 8.3 should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than thirty (30) days after the appointment of the *Appeal Panel*. It shall be open to the *Appeal Panel*, in its discretion, to determine that the matter (or any part thereof) be dealt with by way of written submissions only.
- 8.3.3.6** Any decision made by the *Appeal Panel* under this Article 8.3, shall be the full, final and complete disposition of the matter and will be binding on all parties.

8.4 No appeal in relation to an accepted sanction

2. Calculating the Actual Over Rate

2.1 The actual over rate will be calculated at the end of each *International Match* by those *Umpires* appointed to officiate in such *International Match*. In the case of *Test Matches* (or other *International Matches* of at least four days in duration), the actual over rate will be the average rate which is achieved by the fielding team across both of the batting team’s innings.

2.2 In calculating the actual over rate for an *International Match*, allowances will be given for the actual time lost as a result of any of the following:

2.2.1 treatment given to a *Player* by an authorised medical personnel on the field of play;

2.2.2 a *Player* being required to leave the field as a result of a serious injury;

2.2.4 time wasting by the batting side (which may, in addition, constitute a separate offence pursuant to Article 2.20 depending upon the context and seriousness of the incident); and

2.2.5 all other circumstance that are beyond the control of the fielding team.

2.3 In addition, the following time allowances will be given:

2.3.1 in *Test Matches* (or other *International Matches* of at least four days in duration):

(b) 4 minutes per drinks break taken (one per session).

2.3.2 in *Twenty20 International Matches*:

(a) 1 minute for every 3 full overs that an innings is reduced by as a result of any delay and/or interruption in play.

2.4 Further, the following exclusions and exemptions will be applied:

(a) if the fielding team bowls out the batting team in 80 overs or less in any particular innings and the *Minimum Over Rate* requirement for that innings has not been exceeded (taking into account all of the time allowances described in this Article

2), no account shall be taken of the actual over rate in that innings when calculating the actual over rate at the end of such *Match*.

- (b) if the fielding team bowls out the batting team twice but has not completed more than 160 overs in total across both of its completed fielding innings in doing so, no sanction will be imposed in respect of any breach of the *Minimum Over Rate*.
- (c) if the fielding team has not completed more than 80 overs in total in the course of its two innings in a *Match*, no sanction will be imposed in respect of any breach of the *Minimum Over Rate*.

2.4.2 in *One Day International Matches* or *Twenty20 International Matches*:

- (a) if the fielding team bowls out the batting team within the time determined for that innings pursuant to the *ICC's Standard ODI or T20I Playing Conditions* (as applicable), no sanction will be imposed in respect of any breach of the *Minimum Over Rate*.

3. Procedure

3.1 Where the actual over rate is calculated by the *Umpires* as being equal to or in excess of the *Minimum Over Rate*, no further action shall be taken.

3.2 Where the actual over rate is calculated by the *Umpires* as being less than the *Minimum Over Rate*, the following shall apply:

3.2.1 only the *Umpires* that officiated in the *International Match* during which the alleged offence was committed can report such an offence to the *Match Referee*, and such Report, which must be completed on Form "Rep 1" must be lodged with the *Match Referee* (or, where, for logistical reasons, it is impractical to lodge with the *Match Referee*, the *ICC's Cricket Operations Department*) within 18 hours of the close of the day's play in the relevant *International Match* or prior to the start of the following day's play, whichever is the sooner;

3.2.2 thereafter, the *Match Referee* shall promptly consult with the *Umpires* and shall be entitled, after such consultation, to make such amendments to the actual over rate calculation as he/she deems appropriate in the circumstances to reflect those circumstances that are beyond the control of the fielding team (including, but not limited to those set out in Article 2 of this Appendix 2).

3.2.3 where the *Match Referee* confirms that the *Minimum Over Rate* has not been achieved by the fielding side in any *International Match*, this shall constitute an offence under Article 2.22 of the *Code of Conduct* and the *Match Referee* will promptly issue a *Notice of Charge* in accordance with Article 4.1 of the *Code of Conduct* (with the *Team Captain* being charged on behalf of all the *Players* in the fielding side as well as him/herself) and the matter will be thereafter be adjudicated by the *Match Referee* in accordance with the procedure set out in Article 5.

| All other <i>International Matches</i> . | The applicable <i>Match Fee</i> will be zero. Accordingly, while a <i>Match Referee</i> or <i>Judicial Commissioner</i> will have jurisdiction under this <i>Code of Conduct</i> to impose a financial sanction against any <i>Player</i> or <i>Player Support Personnel</i> for a breach of this <i>Code of Conduct</i> the effect of such sanction will be zero in a financial sense. However, the corresponding <i>Demerit Points</i> applicable to such a fine will be added to the relevant <i>Player</i> or <i>Player Support Personnel's</i> disciplinary record. Further, the remaining range of permissible sanctions (set out in the tables in Article 7.3 and Article 4 of Appendix 2) shall be available to the <i>Match Referee</i> and/or <i>Judicial Commissioner</i> in full. |

For the avoidance of doubt, the designated *Match Fee* to be applied for the purposes of an offence committed by a *Player Support Personnel* shall be the same as that which would be applied to a *Player* from the same *National Cricket Federation* participating in the same *International Match*.
