Message from the President

Dear WCL Members,

I hope everyone is staying safe and healthy as we continue to face the challenges due to COVID-19 and fight this pandemic. This is a time of uncertainty as we do not know what lies ahead of us. Everyone's health and safety is our top most priority. We will continue to monitor the situation and follow CDC guidelines, as well as state and federal mandates.

As announced earlier, we have postponed all WCL activities until further notice. We have cancelled the 2020 WCL Memorial Day Youth Tournament. Currently we remain uncertain as to whether we will be able to have any cricket this season. We, in the Executive Committee, in conjunction with the Board, will be looking at all possibilities in regards to membership dues in case we have a curtailed season, or in case we are unable to have any cricket this season.

On behalf of WCL Joint Leadership, I would like to take this opportunity and thank all the doctors, nurses, health care workers, and other essential workers that are dedicated in helping the community during this difficult time.

I would also request our fellow WCL members to extend their help to the WCL community, as well as small businesses that might be affected due to COVID-19. To that effect, we will allow WCL members to promote their small businesses located in the DMV area on WCL's Facebook page on Sundays, till we continue to face this pandemic.

I urge everyone to continue following the CDC guidelines and the government mandates, and take the necessary steps to protect yourself and your loved ones. Together, we can and we will fight this.

Sincerely,

Anand Patel

Anand Patel
President, WCL
