2. Team Ranking

2.1. All Teams will be ranked in their respective division using the following tie-breaking criteria, in order listed:

- i) Highest WIN percentage
- ii) Most Points (Win Points: 2, Washout/Draw /Tie Point: 1)
- iii) The Winner of the H2H match played between them.
- iv) Highest Net Run Rate for completed matches.
- v) Most Wins

2.2. A win will be worth 2 Points, a tie/an abandoned game 1 point for each team, and 0 for a loss.

3. Promotion and Relegation

3.1. There are two scenarios for who gets promoted to Premier Division:

3.1.1. Division 1 play off final winner and regular season topper

- In case, if div 1 playoff winner and regular season topper is the same team then playoff final runner up will move to premier division.

3.2. The bottom 2 teams at the end of the Premier Division regular season will be relegated to Division 1 for the following season.

4. Playoffs

4.1. Qualification

4.1.1. Both divisions will have their own Playoffs structure and games.

4.1.2. Divisions Playoff structure:

The right to play in the playoffs is determined as follows:

- Top Four (4) teams will qualify for the playoffs from each division using Team ranking described in 2.1:

4.2. Eliminators & Semi-Finals

4.2.1. There will be a reserve day for both divisions semifinals and finals.

- There will be no reserve day for eliminators. In an event where eliminators are abandoned, higher ranking seed will move to the next round.

4.2.2. If a Semi-Final is

- Tied – Super over must be played to decide winner.
- Abandoned - the team with higher Division Rank shall advance to the next round.

4.3. Final

4.3.1. If the Final is

- Tied – Super over must be played to decide winner.

4.3.2. If weather condition prevents the Final from being completed, there is a reserve day on which the match will be played in its entirety.

4.3.3. If the match is not able to be completed on the reserve day as well, the teams shall be declared joint winners.
